**YOU CAN HELP PREVENT
FOREST FIRES**

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200.00) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.

2. Be sure to properly supervise your burning.
Don't leave it.
3. Make certain your fire is DEAD OUT before
leaving it.

Save yourself much possible difficulty

Trustees Report

The latest figures from the State Library show that our library had the third highest per capita circulation, 24.2 books, of all libraries in New Hampshire, compared to a state average of 5.65. The number of volumes in the library was 2,523.

This year most of our book purchases were for young people, but many adult books and magazines were given to the library as the librarian's report shows. Several magazines were renewed for long terms at a saving, and two new magazines were added.

In October fifteen librarians and trustees came from Antrim, Hillsboro, Henniker and Washington to attend a Neighborhood Meeting at your library to hear Miss Doreen M. Harper, Public Library Consultant from the State Library, discuss new books and other library matters.

Be sure to use your library and remember that the librarian and trustees are always glad to receive suggestions that will make your library more useful to you.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Washington:

I am pleased to present my fifth annual report for your consideration.

Mrs. Adah Rodden, chairman of the Washington School Board found it necessary to resign at the beginning of the 1958-59 fiscal school year. Mr. Stanley Drew was elected chairman and Mrs. Miriam O'Keefe was appointed by the Board to the vacancy until the annual district meeting.

Mrs. Madeleine Basto is in her second year of teaching at the Washington Central School and is continuing her fine work. The results of her efforts are evident from the good work being done by her former pupils now in high school.

Registration after the first few days leveled off as follows:

Grade I - 3	Grade V - 1
Grade II - 4	Grade VI - 5
Grade III - 1	Grade VII - 1
Grade IV - 2	Grade VIII - 3

Pupils attending high school from Washington are as follows:

Hillsboro-Deering Cooperative

1. Kathryn Otterson, Grade IX
2. Michael Otterson, Grade IX
3. Richard Cilley, Grade X
4. Janice Fletcher, Grade X
5. David Otterson, Grade X
6. Ralph Otterson, Grade X
7. Muriel Rolfe, Grade X

Keene High School

1. Vivian Barker, Grade XII

Newport High School

1. Beverly Barker, Grade IX
2. Gwendolyn Barker, Grade XII

This total of ten makes an excellent percentage of our graduates going on for further schooling.

As you well know, throughout the country there has been a movement toward consolidation which has closed hundreds of one-room schools. It is not any wonder that the citizens of Washington ask themselves, "Are we going to be pressured into closing our school and join the consolidation movement?"

I shall attempt here, to alleviate any fear which you may have on the subject. The answer is a most emphatic, "No"!

Neither the State Board of Education nor I, as their representative, have any desire to attempt to close any school which the citizenry wishes to remain open. In my report to you in 1956 I stated, "Washington should continue to operate its one-room school as long as there is a desire on the part of the citizenry to do so. It appears to me that the citizens of Washington take a considerable amount of justifiable pride in their school and as long as that continues there appears to be no reason for discontinuance." I feel as strongly about that statement today as I did when I originally wrote it.

I want to express my deep appreciation to Miss Margaret Hoyt for helping us the past two years with our music program.

It has been a real pleasure to work with the pupils, teachers, School Board and citizens of Washington. I truly appreciate the fine cooperation shown me.

Respectfully submitted,

NORMAN R. HARTFIEL
Superintendent of Schools
