**WASHINGTON SCHOOL DISTRICT
ORGANIZATION**

Moderator	Guy Eaton
Clerk	Colleen Duggan
Treasurer	Ingrid Halverson
School Board	Linda Musmanno term to 2019 Kathy Atkins term to 2020 Gayle Terani term to 2018 Karen Belanger term to 2018 Cameo Mulliner term to 2019
Auditors	Vachon Clukay & Co., PC
Superintendent	Robert A. Hassett, M.Ed.
Business Administrator	Loreal R. Schmidt, M.S.T.
Assistant Superintendent	Patricia M. Parenteau, M.S., CAGS
Director of Curriculum, Instruction & Assessment	Kevin Johnson, Ed.D.
Washington Elementary School Consulting Principal	Kevin Johnson, Ed.D.
Teachers & Staff	
Erika Sullivan	Kindergarten/Grade 1 Teacher
Tamara Webber	Grades 2-3 Teacher/Leadership Team
Kelli Aldrich	Grades 4-5 Teacher/Curriculum & Assessment
Sarah Carlisle	Music Teacher
Rebecca McLean	Art Teacher
Mary Jo DeBrusk	Physical Education Teacher
Jane Johnson	Special Education Teacher/Leadership Team
Amy Healey	School Nurse
Sharon Oliveira	Paraeducator
Dawn Bilski	Office Administrative Assistant
Kathleen Brown	Title 1 Tutor
Camille Gibson	Paraeducator/Library Media Paraprofessional
Linda Kress	Speech & Language Pathologist
Eric Geaumont	Psychologist
Jill Severino	Occupational Therapist
Karen Cota	Certified Occupational Therapy Assistant
Elizabeth Sargent	Maintenance/Janitor
Barbara Jackson	Food Service Director

Washington School Board Report

Under the guidance of the Leadership Team – Jane Johnson and Tamara Webber – as well as the staff - the students attending the Washington Elementary School have continued to do well.

We are also fortunate to have the continued guidance and support of Superintendent Robert Hassett, Assistant Superintendent, Patricia Parenteau, Business Administrator, Lori Schmidt and the SAU staff.

Financially, the school year has been a challenging one. The District did not receive tuition revenue that had been expected for the fiscal year 2017-2018. There was also a change in the insurance budgeted expense resulting in an increase in that amount.

On Friday, March 31st, the well pump located at Camp Morgan and shared by both parties failed. This resulted in no running water for the building, and the children were sent home. In order for the school to be open on Monday, the work needed to be completed over the week-end. The total cost of this emergency was \$9,148.63. After several discussions with the Washington Selectmen, it was determined that the School District would be responsible for \$5,148.63. and that the Town of Washington would pay \$4,000.00. On May 16th, the Washington School Board held a special meeting to receive authorization to take the funds from the Maintenance Trust Fund. This vote passed unanimously.

Due to a staff change, the Board voted to have technology assistance, when needed provided by personnel from Hillsboro-Deering on an hourly rate basis. The Board also voted to have the Hillsboro-Deering Facilities Director come to Washington to speak with Liz Sargent and the staff regarding issues that will need to be addressed in the future. This will enable the Board to plan a budgeting timeline for maintaining the building and implementing cost saving plans.

The Board very much appreciates the continued support of the Community and continues to uphold our fiduciary responsibilities in maintaining the buildings and grounds of the school, as well as maintaining support for educational excellence.

We want to thank our Leadership Team, teachers, staff and volunteers for all that they do in order to provide our students with excellent preparation as they continue their education.

Respectfully submitted,

Washington School Board

Kathy Atkins, Karen Belanger, Cameo Mulliner, Gayle Terani, Linda Musmanno

**Annual Report
Superintendent of Schools
2016-2017**

It hardly seems possible that I am writing this sixth Annual Report for our School District. I am extremely proud of what a great job our students, teachers and administrators do on a daily basis. The students arrive every day excited about learning and the teachers work diligently to inspire them to become our future leaders and responsible, hardworking citizens.

One of the major challenges we have faced has been the turnover in leadership which has a significant role in advancing a consistent mission, curriculum and learning environment. I am pleased to say that we have a very strong and talented administrative team currently in place. This team has identified the areas we excel in and the areas we need to prioritize and direct change.

Over the past several years we have experienced mandated assessments that have also been inconsistent: NECAP, Smarter Balance and now a new version NHSAS. Fortunately all state-wide assessments are based on the Common Core State Standards and we have been providing teachers with substantial professional development and aligning our curriculum to those standards.

An area where we have also expended a lot our human capital and financial support has been the use of technology in the classroom. We have continued to provide technology that is cutting edge and are using Google classroom at almost every level. Cloud-based classroom and storage has created a very different way of teaching and learning. Our students and teachers continue to amaze me with the ease and confidence in taking these very big steps into the 21st century.

As always, the parents and community support the learning community, not only financially but in spirit and camaraderie. It is said that a school is a building with four walls and the future inside! Our schools are structures that always need updates, roofs, and windows, heating systems, elevators and the taxpayers always support their schools being a source of pride. This past year we made a substantial investment in energy updates that will reap long term savings and provide a healthy and safe learning environment. Our maintenance team of three keeps all of the buildings up and running seamlessly!

In the next several pages our administrators will provide an overview of the state of our schools and the vision we all share of continuous improvement. I would like to thank all of our community members for their continued support in providing a strong educational experience for all of our children. It is an honor and a privilege to serve as your Superintendent!

Respectfully submitted,

Robert A. Hassett, M.Ed.
Superintendent of Schools

BUSINESS ADMINISTRATOR’S REPORT

We thank the voters for supporting the school budget. The trust funds for Maintenance and Special Education were funded once again. In case of an unavoidable expense, these funds allow us to respond to the issue without deficit spending or a dramatic increase in the next year’s budget. These reserves are funded only by reserves from end-of year balances. It’s important to continue this practice for the sound fiscal management of the school district.

The FY 2016 – 2017 budget was adequate for the school’s operation and a surplus of \$194,406 was returned to the taxpayers. The major areas for savings were a return of taxation funds raised for roof repair and tuition costs. The \$194,406 also includes \$59,150 that was retained from the prior year’s fund balance.

We continue to maintain our school and grounds making improvements as funds allow. Bus routes are fine-tuned annually depending on the location of our students. We have a cooperative relationship with our provider, First Student.

As the school district officer in charge of business operations, student transportation, food service and facilities, I want to sincerely thank the community for its support of the Washington School District, its students and staff and the School Administration Unit staff who serve your school district.

Respectfully submitted,

Lori Schmidt
Business Administrator

Annual Report Assistant Superintendent

Support services collaborate with students, staff and families to provide education, prevention and intervention services in an attempt to eliminate barriers and service the needs of our students. The following are a number of important programs providing a range of opportunities to serve these needs.

English for Speakers of Other Languages, (ESOL): As stated on the New Hampshire Department of Education's website, "*The mission of the ESOL Program is to ensure that all English Learners in New Hampshire are given an equitable, appropriate, and academically challenging education.*" SAU #34 began the year with two students at the high school who met the eligibility criteria to receive ESOL support however, three additional students enrolled throughout the year. Students receiving ESOL support services spoke Tagalog and Spanish.

Section 504: The Rehabilitation Act of 1973, Section 504, is a civil rights law that prohibits discrimination against individuals with disabilities. As of October 1, 2016, 7.4% of SAU #34's student population were identified under Section 504 and received accommodations to meet their individual needs to the same extent as the needs of students without disabilities: 1 student at WES (2%), 29 students at HDES (5.5%), 27 students at HDMS (9%) and 33 students at HDHS (9.6%).

Nursing: The nursing team actively participated and developed programs that promoted health and safety of students, school personnel and families. The nursing team worked with educators and community organizations to identify and address known health related variables that impact academic success as follows:

- Granite United Way and Maxim to provide students and faculty with an on-campus flu vaccine clinic. Access to the flu vaccine increases the overall health and welfare of our students and faculty by decreasing the incidence of absences due to flu during the flu season.
- Hillsboro Chapter of Lions Club to provide the Spot Vision Scanner to the Districts; families had access to a free initial screen identifying the potential need for glasses. The Lions Club also generously provided students who were in need of services, free professional exams and glasses.
- School Nurse Partnership Program through ConvenientMD to provide free school/sport physicals, free medical care to students in need, free Epi pens for the health offices, physician consultation, and free continuing education for our nurses.
- Community outreach to support the families in need by working with charitable programs such as Lions Club and Knight of Columbus to provide coats, hats and other essentials to students in need.

Counseling and Therapeutic Support: The schools continued their partnership with Brookside Counseling in an effort to improve the availability of mental health therapeutic support to children and families in the Washington area. Eric Geaumont, a licensed clinical mental health counselor from Brookside Counseling, provided individual therapy to students during the school day, as well as consultation with teachers regarding emotional and behavioral needs. This school-based mental health program supported students who demonstrated significant emotional, social and or behavioral challenges at home, in school and in the community.

This year, HDHS was awarded a grant from the State of NH Health and Human Services to assist in funding a contracted service provider from Second Start trained in Project SUCCESS (Schools Using Coordinated Community Efforts to Strengthen Students). The Student Assistance Program (SAP) attempted to identify students who carry risk factors, such as poor attachment to school, that make it more likely that they may engage in substance misuse, and provide them with support services to boost protective factors that will help these students to adopt healthy coping strategies. During the 2016-2017 school year, approximately 15 students benefited from these support services in the form of weekly individual consultations and a group designed to target their specific risk factors. SAP provided school-wide prevention messaging to increase students' perception of harm in regard to substance misuse. Twelve environmental initiatives were implemented during the school year aimed at the dangers of alcohol and other drug involvement, taking a stand against bullying and adopting healthy ways of coping with stress. SAP collaborated with the health teacher to expand students' understanding of substance misuse through classroom instruction.

Special Education: A total of 269 students were identified with educational disabilities which represents 22% of the SAU's school-aged population: 8.5% at WES (4 students), 22.6% at HDES (120 students), 22.6% at HDMS (68 students) and 19.2% at HDHS (66 students). As of October 1, 2016, 7 students with educational disabilities were placed in out-of-district programs.

In an effort to address the increasing academic needs of our special education population, the sixth grade team participated in a yearlong training on Universal Design for Learning (UDL) sponsored by NHDOE Bureau of Special Education and the Center for Applied Special Technology (CAST). UDL is a framework for designing learning environments that provides access for all. The sixth grade team participated in off-site workshops, a book study, on-site visits and bi-weekly meetings focused on UDL activities. The culminating activity involved the use of surveys and data, looking for patterns and or improvements while introducing the Grit Curriculum (a component of character education). Difficulty securing substitutes for staff to participate in off-site workshops impacted the whole teams' ability to consistently participate.

Every three years the NHDOE conducts onsite visitations to high schools throughout the state regarding Indicator 13 that monitors Secondary Transition Planning. The high school special education department participated in multiple trainings conducted by the building coordinator and worked diligently to ensure the standards were met as set by the NHDOE for Indicator 13. Results stated that HDHS is in 100% compliance with Indicator 13 and no further action is required.

The McKinney-Vento Homeless Assistance Act provides certain rights and protections for families experiencing homelessness. Public school districts must ensure that students who are homeless have equal access to the same free, appropriate public education as their non-homeless peers. Through the combination of Title I and District funds, students who were homeless received access to tutoring, counseling, enrichment activities, transportation, home visits, and school and hygiene supplies. Support was provided to connect families with local, state and community associations to assist with needs related to housing, utilities, food, and medical and mental health care. Local community organizations filled the need for holiday

food baskets and Toys for Tots. As part of their National program “Coats for Kids”, the local Knights of Columbus Council generously donated over 50 new winter coats to students in need in the Hillsboro-Deering and Washington School Districts. The number of students residing in homeless environments in the Hillsboro-Deering School District during the 2016-2017 school year was as follows: 21 students at HDES, 7 students at HDMS and 10 students at HDHS for a total of 38 students from 24 families. While there was a decrease this year in the number of students and families who accessed the District’s Families in Transition Program, there was an increase in the number of homeless families living temporarily outside of their district that required assistance with transportation. HDSD partnered with 8 other districts to provide the transportation needed for 21 students from 14 families to access their education in their schools of origin.

Title I: Washington Elementary School is a Targeted Assistance Title I School and this federally funded program’s intent is to provide students at risk of failure additional time with research-based targeted instruction in the areas of math and reading to increase their opportunity to become successful learners at their grade level. Title I programs do not supplant regular classroom instruction; they supplement the instruction.

As a Title I School, federal funds were received for students at risk of failure. This designation was determined by the free and reduced lunch count which was approximately 38% at WES. These funds supported instructional salaries and supplies, professional development, parent education and involvement activities.

In an effort to prepare the District’s early learners for social-emotional and academic success, WES allocated a portion of the Title I funds toward a preschool teacher’s salary. The preschool program was offered three mornings a week for the three and four year olds residing in Washington. This program was designed to incorporate “*The New Hampshire Kindergarten Readiness Indicators*” and activities from the “*Creative Curriculum*”. Pre and post assessment data indicated that all of these young students demonstrated growth in many areas.

Additionally, a supplemental program was offered during the summer for students K-5. Students were chosen using several criteria and received small group supplemental tutoring to accelerate their academic performance.

HDMS Afterschool Clubs - Middle School Grades 6-8: HDMS Clubs offered programs that kept students safe, provided academic and social supports, inspired them to learn, and assisted working families. A strong school-family-community partnership allowed the program to capitalize on resources and opportunities for educational learning experiences through extended learning time after school.

HDMS Clubs funding was derived from parent fees, Duncan-Jenkins Trust and the Hillsboro-Deering School District. The University of New Hampshire Cooperative Extension, Hillsboro Parks and Recreation, Hillsboro Police Department, Osram Sylvania, Fuller Library, SAU 34, Hillsboro-Deering Elementary School and Food Service Department, HDES Parent-Teacher Organization, Caroline A. Fox State Forest and New England College were KA Community Partners which supported the programs through volunteer hours, donation of supplies and In-

Washington School District 2017 Annual Report

Kind services. Homework Club was offered Monday-Thursday for an hour each day staffed by HDMS teachers. Two new opportunities for students this year were Hillcat Running Club and Girls on the Run. During 2016-2017, 77 students participated in the HDMS Clubs.

Federal Grants: Over fifty-four thousand dollars in federal grant funding was awarded to the Washington School District. Each grant had very specific criteria regarding allocation of funds and required an approval process from the Superintendent to the New Hampshire Department of Education. Funds were used to hire staff, provide professional development and purchase books, materials, supplies, technology and equipment.

For additional information regarding the above material, please visit SAU #34's website at www.hdsd.org.

Respectfully submitted,

Patricia Parenteau
Assistant Superintendent

Annual Report
Director of Curriculum, Instruction and Assessment

Curriculum and Instruction

SAU 34 continued to make progress during the 2016-17 school year with curriculum development and implementation. Curriculum alignment continued in all content areas through the use of K-12 vertical curriculum teams, with an emphasis on math. All work developed by each team is shared with staff in google classroom so all can be involved in the process. Further work to align our science curriculum with the NextGen Science Standards (NGSS) was also completed. These standards allow students to think critically about and analyze problems in order to find solutions to complex tasks. In all grades, science practices are used to learn new content and apply common themes. These standards will be assessed statewide through the NH Statewide Assessment System.

Our Professional Development Committee takes feedback from staff to bring topics of need and interest to our teachers and staff. This collaborative effort helps us to differentiate workshops based on feedback and need. Teachers and staff have time to choose offerings in which all staff, grade levels, or content areas may have to participate. Professional development is provided by outside and in-house experts. Implementation is followed-up with support provided through professional team collaboration and administration.

Assessment

As 2016-17 was the last year for the Smarter Balanced testing, we would like to share information about the new state testing starting this school year.

This is the first year of the new state tests in math, ELA, and science. The new test is referred to as the Statewide Assessment System, or SAS.

Grades 3-8 will take the new NH Statewide Assessment System (NH SAS) for English language arts (ELA)/writing and mathematics. Grade 11 students will continue to take the College Board School Day SAT. All students in grades 5, 8 and 11 will also take the common statewide assessment for science. This is now the NH SAS for Science. Science is now administered in grade 5, not grade 4. This does mean that grade 4 students who took the assessment in 2017 will take the statewide assessment again in grade 5. The change is based on the alignment to the science standards adopted in 2016.

The NH DOE also offers the Dynamic Learning Maps Assessment (DLM) for ELA, Math and Science as the alternate assessment for the 1% of students who are not able to participate in the regular Statewide Assessment.

Our district moved to the STAR assessment in both math and reading. The information STAR gives us is directly aligned to the Common Core Standards.. This information can be tied directly to instruction for each student and/or groups of students. This allows us to progress monitor student growth multiple times during the school year. Professional development in STAR is ongoing, and we have a STAR coach who provides guidance as we grow our expertise with these instruments. More information regarding the statewide assessment system can

Washington School District 2017 Annual Report

be found at: https://www.education.nh.gov/instruction/assessment/documents/assessment_faqs2017.pdf.

Respectfully Submitted,

Kevin Johnson, Ed.D.
Director of Curriculum, Instruction, and Assessment

Kelli Aldrich, M. Ed.
WES Curriculum Leader

Washington Elementary School Leadership Team Report

In 2017, the staff at Washington Elementary School continued its efforts to provide a supportive learning environment for our students, bolstered by strong parent and community support. We focused on fostering a growth mindset and persevering through challenges to promote brain development and growth. We are mindful of not only what we teach but also how we teach, to ensure that all students succeed.

At the start of the year we welcomed 11 kindergarteners and 3 other new students to our pack. Our current enrollment is 45 students. An additional 13 three and four year-olds are in our pre-school program this year.

Sarah Carlisle joined our school community this year as our music educator. She teaches instrument lessons and music classes one day a week. In addition, Ms. Carlisle is an accomplished musician who tours both nationally and internationally. We also have a new part-time nurse at WES. Amy Healey, a RN with her own midwifery practice, will help with medical records, screenings, and other medical support. Last, but not least, Dawn Bilski switched from being a classroom paraprofessional to our new administrative assistant. Welcome!

Washington School District 2017 Annual Report

At Washington Elementary, we assess the progress and growth that our students are making in many different ways. Our lessons are aligned to the Common Core State Standards. Students in grades 3-5 take the Smarter Balanced Assessment, a computerized adaptive test, each spring. Again this year, the 2017 results show that our students scored at or above the state averages in both English language arts and mathematics. Students K-5 are also tested multiple times per year using STAR math and reading (or early literacy) assessments. Fifth graders take the NE-CAP science assessment.

As members of the Washington Wolf Cubs, our school once again focused on what it means to be part of a pack and what lessons we can learn from wolves. We worked together as a school pack, but we also formed multi-age pack partners. These partnerships worked together to solve challenges, reinforcing the importance of teamwork, perseverance, and grit.

Our wolf pack extends beyond the walls of our school. The Friends of WES served us a spaghetti supper for our Back to School Night, raised funds for our school, created an awesome luncheon for Teacher Appreciation Week, and provided refreshments for school events. Volunteers from the Washington Fire Department and Rescue visited our school as part of Fire Prevention Week. Community members sponsored our Pick of the Pack lunches with the police department. The ladies from the library provided birthday books for us all and visited classrooms to read stories. The Conservation Commission taught us about vernal pools and pollinators in our natural community. Our writing buddies and grandpals made valuable connections with our children. The list goes on and on, and we are thankful for the support.

Enrichment opportunities abound at WES, thanks to the Duncan-Jenkins Trust. In 2017, our students had a week-long residency with the NH Dance Institute. We performed for family and friends Night of Celebration. The NH Historical Society enriched the NH history curriculum of the fourth and fifth graders, and artist in residence Giles Laroche taught us how to make cut paper collages that represented our town and state. No Strings Marionettes came to WES and performed Treasure Hunt and showed us their craft. We learned about New Hampshire's geology as we squeezed through caves and boulder formations at Lost River Gorge. We thank the Trust for their generosity.

As Rudyard Kipling wrote, "For the strength of the pack is the wolf, and the strength of the wolf is the pack." Thank you all for contributing to our wolf pack.

Respectfully submitted,

Jane Johnson and Tamara Webber
WES Leadership Team

Hillsboro-Deering Middle School Annual Report

The enrollment for the 2016-2017 school year averaged 301 students. This was an increase of 21 students from the 2015-16 school year. The grade level enrollment averages were as follows: 8th grade – 102, 7th grade 97 and 6th grade 102. Grade level teams consisted of math, ELA, writing, social studies and science. 6th and 7th grade students were scheduled into one semester of writing and one semester of STEM. Students were enrolled in two UA classes during the school day. The four UA classes, art, health, music and PE rotated quarterly during the school year.

The students at HDMS participated in several building wide assessments to measure math and ELA skills during the school year. STAR 360 is a district level assessment that is given to students three times during the school year. The state wide SBAC assessment is given to all students in the spring. 2016-2017 was the second year that 8th grade students participated in the PSAT assessment. The PSAT is given to students to better prepare them for the SAT assessment that they will take in their junior year of high school.

Enrollment in Hillsboro-Deering Middle School's music program continued to increase. Over 100 students participated in chorus and or band. The Winter and Spring concerts provided the students the opportunity to perform in front of a large audience. This outstanding support is greatly appreciated! Several band and chorus students qualified for the Southwest District Music Festival this year. One 8th grade trumpet musician, qualified for the middle school state honor band.

Hillsboro-Deering Middle School students were able to take several class trips during the school year. The 6th grade class made the trip to Mt. Washington and were able to reach the summit of the mountain via the Cog Railway. The class also visited The American Stonehenge site which is located in Salem, NH. The 7th grade class took a trip to Lowell, MA to visit the Boot Cotton Mills Museum. The 8th grade class attended a play at the Capitol Center for the Arts in Concord, NH. Over 60 students in the 8th grade class participated in the annual class trip to Washington D.C. The students had a wonderful trip and they were excellent representatives of their school and communities.

This year, the National Geography Bee competition was held as an all school assembly in the gymnasium. Qualifying students from each grade competed in front of the entire student body and staff. The support they received was very impressive. Seventh grader, David Denslow, was the overall building winner, which qualified him for the state competition.

Many after school opportunities are available for students at Hillsboro-Deering Middle School. Dance Committee, Student Council, DECA, Yearbook and Destination Imagination are all very

Washington School District 2017 Annual Report

active committees/clubs for students to join. The after school program started a new club model this year. Based on enrollment and feedback from students, it was a very successful first year. Over 20 clubs were offered for students to join. Some of the more popular clubs were, mountain biking, woodworking, cooking, drama, chess, digital photography, holiday crafts and art.

Student Council had another busy year sponsoring several school wide events. The Veteran's Day breakfast saw over 30 veterans attend along with their middle school student. Caroling took place in December at a nearby nursing home. Student Council helped organize the Winter Carnival week in February. This group of students organized and hosted the Talent Show in April, which is always a student and family favorite.

Over 40 staff enjoyed working with our middle school students and their families to provide outstanding learning opportunities both in and out of the classroom during the past school year. We look forward to new opportunities that the next school year will bring.

Respectfully submitted,

Marc Peterson
Hillsboro-Deering Middle School Principal

**Hillsboro-Deering High School
Annual Report**

Thanks to the generosity of the Duncan-Jenkins Grant Committee, the National Honor Society was able to send four students to MIT Splash! Weekend in November of 2016. These students took classes ranging from salsa dancing to debate over the two day event.

During the 2016-2017 school year, the Extended Learning Opportunities (ELO) program provided a means for students to earn credit for learning experiences outside the traditional classroom. Students completed a total of 15 ELOs on various topics ranging from Women in Government, Hunter Safety, Firefighting, Intensive Reading, and Early Childhood Education. The

School-to-Career Internship class provided additional career development opportunities for students to learn how to sell themselves in a competitive job market and explore careers in marketing, law enforcement, education, plumbing, dentistry, and culinary arts.”

The HDHS Music Dept. had another busy year! Once again, we had several students participate in All New England Choral and Band Festivals, Monadnock Valley District Music Festival, and NH All-State Auditions. In May, the 3rd HillStark Festival combined the talents of the HDHS and John Stark HS music departments for rehearsals and a trip to Boston where students performed in Faneuil Hall, toured Fenway Park and attended a Red Sox game and a Blue Man Group performance. We also had several guest conductors in the band room from UNH, Plymouth State, and Keene State College to spend time working with the small but mighty HDHS Concert Band.

The Costa Rican Exploration Trip offered a variety of cultural experiences and amazing natural wonders to its participants. During the spring vacation in April 2017 our group of teachers, students, and community members spent 9 days touring some of Costa Rica's most famous natural phenomena and unique cultural traditions. The group treated their senses to rich aromas at a coffee roastery in San José and sweet delights at a pineapple plantation in Sarapiquí. In Monteverde, they felt the thrill of a canopy adventure before visiting a local exchange to soak up indigenous customs and traditions. At Braulio Carillo National Park, they soaked in the breathtaking biodiversity and geological wonders.

During the Fall sport season Hillcat Athletics and the entire school community witnessed the breaking of a long-time soccer scoring record set by Steve Parenteau in 1979 scoring 82 goals in his high school career. In the Fall of 2016, Bridgette Winters broke the 37 year record, scoring 83 goals in her high school career.

The Hillsboro-Deering/Hopkinton Redhawks kicked off their inaugural varsity football season in Division II after spending two years as a junior varsity program. The cooperative program has been a huge success and has made a positive impact on both school communities.

The New Hampshire Interscholastic Athletic Association honored seven H-DHS Senior Scholar Athletes: Kierston Clough, Meredith Denu, Nicole Mooney, Shannon Thomes, Melissa Veitch, Reed Cullen and William Dubuque. The NHIAA recognizes students who earned a minimum of a 3.5GPA and participate in at least two varsity sports during their senior year .

Hillsboro-Deering High School DECA traveled to the international competition in Anaheim, California and won several accolades. The group attended the conference from April 25 – April 30, 2017 and during this event two teams made their way into the finals of their respective competitions and finished in the top 5 out of over 3000 teams in each competitive event.

This year H-D had two Virtual Business Sports Management teams qualify for the finals. The team of Nicholas Lester, Thomas Ferguson, and Ryan Gillett finished in 5th place internationally in an event that saw them do well through several rounds of competition. The team of Gunner Hagstrom, Nate McGillicuddy, and Max Costello (all freshmen) competed hard and finished just outside of medal contention in 9th place.

Similarly, H-D's Virtual Business Restaurant Management team of Matt Otten and Sam Audette finished in 5th place internationally in their event. The Restaurant competition was also heavily competed in this season with over 3000 teams from around the globe participating. H-D also qualified a Virtual Business Retail Management team. The team of Sam Taylor, Dustin Vancleave, and Quinn Erickson made their way to the semi-finals and finished in 12th place.

It was announced that the combined competitors in all of the DECA Virtual Business events was 41,000 students this season with only the top 200 students making the finals. This means that HD students were in the top 0.5%.

Hillsboro-Deering DECA's School Based Enterprise was awarded the Gold Re-certified School Based Enterprise Award for "The Hillcat Corner", the chapter's school based enterprise. This is the tenth consecutive year that the chapter has received this award. Additionally, sophomore Kimberly Rodier, who were elected to serve as New Hampshire DECA State Officers at the NH State Conference in February attended the EMPOWER Academy for State Officers.

Rounding out the team of twenty-three qualified students from Hillsboro-Deering were: seniors Meredith Denu, Allie Lester, and Shannon Thomes (Franchising Business Plan); senior Mason Connor (Accounting), juniors Colby Wilkens and Kianna Carter (Travel and Tourism Marketing), sophomore Josh Marshall (Human Resources Management), and freshmen Emma Breed (Thrive Academy) and Miranda Feighery (Principles of Marketing).

We are excited to continue our work together improving and refining Hillsboro-Deering High School into a twenty-first century learning community that provides high quality, personalized education for every student.

H-DHS commits to building community,
providing a personalized education,
encouraging continual progress, and inspiring
purposeful lives.

2016 Report of the Trustee

As Trustee of the Duncan Jenkins Trust, I'm pleased to report to the Hillsboro-Deering and Washington education community that 2016 was a year that returned to growth for our investments. Based on our spending plan, we were able to meet the needs of all of our grant applications. Looking forward to 2017, we're going to have available for distribution under Student Enrichment grants approximately \$114,000; for scholarships, about \$160,000 (these funds are increased by unexpended Teacher Enrichment funds from the previous year.); and for Teacher Enrichment grants, about \$162,000. The Grant Committee is very excited about having these funds available, particularly as we develop our scholarship program. We would like to encourage the teachers from Washington and Hillsboro-Deering to be imaginative in developing programs that could be funded by the Trust, as we all strive to enrich the students' educational experience and benefit the teachers, both individually and as they carry out their classroom responsibilities. As I have said in probably every report that I've written, it is such a privilege to be part of this charitable endeavor which supports our teachers and students and enriches the quality of education because, ultimately, it enhances the quality of life in all of our communities.

In 2016, we distributed almost \$75,000 for Student Enrichment programs, \$113,000 for scholarships, and \$96,000 for Teacher Enrichment programs. The programs ranged from allowing teachers to participate in foreign travel during vacation time, bringing authors and special programs such as No Strings Marionettes into the school classroom, and allowing teachers to attend workshops, conferences and training sessions, not only in the local area but throughout the United States. These are programs that the teachers would not be able to attend without the benefit of the Duncan-Jenkins Trust as our tax dollars simply do not allow for those expanded opportunities. It makes me proud every June, when we give out the Duncan-Jenkins scholarships, and I can see on behalf of our Grant Committee so many students whose education is (1) made available, and (2) made available at lower cost than it would be without the Trust. To the extent we can reduce the burden of debt for students graduating from Hillsboro-Deering as they go forward with their education, I think we've served the intention of Sally Jenkins.

Again, I want to give special thanks to the Grant Committee. This Committee serves without compensation and donates significant time to reading grant applications, scholarship applications, and attending meetings to determine the distribution of the Duncan-Jenkins Trust funds. This Grant Committee deserves the thanks of the community.

Respectfully submitted,

Douglas S. Hatfield
Trustee of the Duncan Jenkins Trust

**WASHINGTON SCHOOL DISTRICT
NEW HAMPSHIRE
WARRANT AND BUDGET
2018**

To the inhabitants of the School District in the town of Washington in the County of Sullivan in the state of New Hampshire qualified to vote in District affairs:

You are hereby notified and warned of the Annual Meeting which will be held as follows:

Date: Saturday, March 10, 2018

Time: 2:00 pm

Location: Washington Elementary School, Multi-Purpose Room

Details: To act upon the following articles;

Article 1. Election of Officers

To choose by nonpartisan ballot the following School District officials:

Two School Board Member for a 3-year term

One Moderator for a 1-year term

One Clerk for a 1-year term

One Treasurer for a 1-year term

Article 2. Accept Annual Reports

To hear the reports of agents, auditors and committees or officers chosen and to pass any vote relating thereto? *Recommended by School Board*

Article 3. Set Salaries of School Board, Agents/Officers

To determine and appoint the salaries of the School Board, and fix the compensation for any other officers or agents of the District as follows:

School Board Chair: \$750

School Board Members: \$500

School District Clerk: \$75

School District Treasurer: \$500

School District Moderator: \$100

Recommended by School Board

Article 4. Operating Budget

To see if the Washington School District will vote to raise and appropriate for the support of schools, the payment of salaries of School District employees, and for the payment of statutory obligations of the District, the sum of \$2,418,285 (two million four hundred eighteen thousand two hundred and eighty-five dollars) or take any other action in relation thereto? *(This article does not include the budget of the School Administrative Unit.) Recommended by School Board*

Article 5. Appropriation for SAU Budget

Shall the voters of the Washington School District adopt a school administrative unit budget of \$1,106,837 (one million, one hundred six thousand, eight hundred thirty-seven dollars) for the

forthcoming fiscal year in which \$139,330 (one hundred thirty nine thousand three hundred thirty dollars) is assigned to the school budget of this school district? This year's adjusted budget of \$1,082,809 (one million eighty-two thousand eight hundred nine dollars) with \$137,435 (one hundred thirty-seven thousand four hundred thirty-five dollars) is assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. *Recommended by School Board*

Article 6. Appropriation for Food Service and Federal/State Projects

To see if the Washington School District will raise and appropriate funds the sum of \$75,000 for the support of school projects as follows: for food service, \$25,000 (twenty-five thousand dollars) and for Federal and State projects, \$50,000 (fifty thousand dollars) with \$75,000 to come from school lunch sales and State and Federal revenue? (No amount to be raised by taxation). *Recommended by School Board*

Article 7. Fund Special Education Expendable Fund

To see if the school district will vote to raise and appropriate the sum of \$20,000 (twenty thousand dollars) to add to the expendable trust fund created with the March 2005 Annual Meeting vote, for the purpose of paying for any unanticipated Special Education out-of-district tuition, related transportation and special therapy services and authorize the use of the sum of up to \$20,000 (twenty thousand dollars) from the year end undesignated fund balance (surplus) available on July 1 of 2018, if any, toward this purpose. *Recommended by School Board*

Article 8. Expendable Trust for School Building Upkeep

To see if the school district will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to add to the expendable trust fund created with the March 2005 Annual Meeting vote, for the purpose of maintaining and repairing school buildings and authorize the use of the sum of up to \$10,000 (ten thousand dollars) from the year end undesignated fund balance (surplus) available on July 1 of 2018, if any, toward this purpose. *Recommended by School Board*

Article 9. Other Business

To transact any other business that may legally come before said meeting.

Given under our hands at said Washington on this 13th day of February 2018.

LINDA MUSMANNO, CHAIR
KATHY ATKINS
GAYLE TERANI
KAREN BELANGER

McLaughlin, Aiden
Paquette, Jennifer
St. Laurent, Abigail

Grade Two - 3 students

Anwar, Anderson
Barker, Cody
Brown, Callum

Per parent request, some student names are not listed.

Grade Three - 9 students

Billings, Christian
Cordereiro, Adrien
Guay, Courtney
Kelley, Nova
Lugo, Caylee
Ostertag, Corey
Thurston, Jaidon
Vaillancourt, Eva

Grade Four - 7 students

Kennett, Elijah
McFadden, Kaylee
Mills, Shayne
Morin, Jackson
Mulliner, Colton
Robinson, James
Williams, Caden

Grade Five - 10 students

Anwar, Dahlia
Bailey, Hunter
Belanger, Joel
Gerhard, Ronald
Harvey, Alana
Paquette, Madison
Smith, Ava
Wallwork, Triston
Wybert, Kayleigh

Grade Six - 12 students

Burke-Smith, Signy
Denslow, Megan
Denslow, Michael
Grant, Makayla
Guay, Mckenzie
Hurd, Jakeb
McFadden, Ryleigh
Sarapin, Eva
Shifflett, Rosemary
St. Laurent, Amanda
Stephansky, Tyler
Williams, Tayla

Grade Seven - 11 students

Barker, James
Belanger, Megan
Carr, Travis
Cassidy, Griffin
Goodwin, Camden
Kelley, Alfred
Morin, Noah
Putnam, Hannah
Queen, Madeline
Smith, Corbin
Thurston, Xavier

Grade Eight - 11 students

Billings, Travis
Butler, Ayden
Denslow, David
Guay, Bryce
Kovacs, Jeremy
Macdonald, Abigail
Mulliner, Jordan
O'Connor, Jared
Queen, Sophia
Shifflett, Summer
Silipigni, Sarah

Grade Nine - 7 students

Atkins, Gracie
Burke-Smith, Tiarnan
Card, Tucker
Hurd, Hanna
Mills, Abbey
Ordway, Lois
Tremaine Dylan

Grade Ten - 9 students

Boyd, Alyssa
Cilley, Loren
Fauteux, Emilou
Feighery, Miranda
Gibson, Lily
Macdonald, Emma
O'Connor, Zachary
Riccio, Melody
Snell, Patrick

Grade Eleven - 12 students

Anwar, Dylan
Bachand, Jacob
Burke-Smith, Freyjadis
Edberg, Madison
Gallagher, Austin
Goodwin, Jocelin
Hunt, Harold
Hurd, Halie
Luba, Kirsten
Madore, Holly
Mulliner, Morgan
Pion, Kyle

Grade Twelve - 8 students

Carter, Kianna
Cavender, Heather
Cornell, Kenneth
Denslow, Lillian
Fraser, Mallory
Gibson, Avery
Goodale, Joseph
Snair, Kaelyn

Per parent request, some student names are not listed.

Class of 2017 - 8 students

*Atkins, Maggie
*Cullen, Reed
*Desmarais, Grant
Dubuque V, William
Gibson, Emily
Morrisette, Gina
St. Laurent, Alexandra
Tremaine, Hailey

*indicates NH Scholars graduate

**Washington School District Treasurer Report

**Annual School District Meeting
Washington, NH
March 11, 2017**

Moderator Guy Eaton called the meeting to order at 2:00 PM. He led the assembly in the Pledge of Allegiance, introduced the School Board members, the ballot officials, the school district employees who were present and explained the rules of order. The Ballot Box was shown to be empty and was then locked. The polls were declared open at 2:04 and were closed at 3:17.

ARTICLE 1. The following officials were elected by non-partisan ballot: A total of 35 ballots were cast.

School Board Members for 3 years

Kathy Atkins 42

Kathy Atkins declared elected

Moderator for 1 year

Guy Eaton 43

Guy Eaton declared elected

Clerk for 1 year

Colleen Duggan 39

Colleen Duggan declared elected

Treasurer for 1 year

Ingrid Halverson 42

Ingrid Halverson declared elected

ARTICLE 2. Cameo Mulliner moved to hear the reports of agents, auditors and committees or officers chosen and to pass any vote relating thereto.

Motion seconded by Karen Belanger

Moderator Eaton asked if there were any questions. There were none.

Approved by Voice Vote

ARTICLE 3. Karen Belanger moved to determine and appoint the salaries of the School Board, and fix the compensation for any other officers or agents of the District as follows:

School Board Chair	\$750
School Board Members	\$500
School District Clerk	\$75
School District Treasurer	\$500
School District Moderator	\$100

Motion seconded by Gayle Terani.

Approved by Voice Vote

ARTICLE 4. Gayle Terani moved to see if the Washington School District will vote to

raise and appropriate for the support of schools, the payment of salaries of School District employees, and for the payment of statutory obligations of the District, the sum of \$2,371,430 (two million three hundred seventy-one thousand four hundred and thirty dollars) or take any other action in relation thereto. This article does not include the budget of the School Administrative Unit.

Motion Seconded by Kathy Atkins.

Linda Musmanno made brief comments about the overall budget increase of 2.17% due to a health insurance increase of 13.50%, plus the NH Retirement Increase, as well as an increase of 4.75% in the school bus contract. She also noted that there was an additional bus needed for a child with special needs. She reminded the assembly that they Bond for the Elementary School building had been paid off.

Approved by Voice Vote

ARTICLE 5. Kathy Atkins moved to see if the voters of the Washington School District adopt a school administrative unit budget of \$1,070,000 (one million seventy thousand dollars) for the forthcoming fiscal year in which \$141,740 (one hundred forty one thousand seven hundred forty dollars) is assigned to the school budget of this school district. This year's adjusted budget of \$1,053,378 (one million fifty-three thousand three hundred seventy-eight dollars) with \$140,773 (one hundred forty thousand seven hundred seventy-three dollars) is assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit.

Motion Seconded by Gayle TerLinda Musmanno.

Peter Martin inquired about what would happen if Washington voters voted this down but the other towns did not. Musmanno replied that all of the ballot votes would be counted together. Moderator Eaton asked Jed and Nan Schwartz to count the ballots.

The Motion was approved by Paper ballot

Ballots cast 41 36 yes 5 No

ARTICLE 6. Kathy Atkins moved to see if the Washington School District will raise and appropriate funds the sum of \$75,000 for the support of school projects as follows: for food service, \$25,000 (twenty-five thousand dollars) and for Federal and State projects, \$50,000 (fifty thousand dollars) with \$75,000 to come from school lunch sales and State and Federal revenue. (No amount to be raised by taxation).

Motion seconded by Gayle Terani

Approved by Voice Vote

ARTICLE 7. Gayle Terani moved to see if the school district will vote to raise and appropriate the sum of \$20,000 (twenty thousand dollars) to add to the expendable trust fund created with the March 2005 Annual Meeting vote, for the purpose of paying for any un-anticipated Special Education out-of-district tuition, related transportation and special

therapy services and authorize the use of the sum of up to \$20,000 (twenty thousand dollars) from the year end undesignated fund balance (surplus) available on July 1 of 2017, if any, toward this purpose.

Motion Seconded by Karen Belanger

Mike Otterson asked how much money was in the fund. Musmanno said approximately \$175,489.00.

Approved by Voice Vote

ARTICLE 8. Karen Belanger moved to see if the school district will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to add to the expendable trust fund created with the March 2005 Annual Meeting vote, for the purpose of maintaining and repairing school buildings and authorize the use of the sum of up to \$10,000 (ten thousand dollars) from the year end undesignated fund balance (surplus) available on July 1 of 2017, if any, toward this purpose .

Seconded by Cameo Mulliner.

Michael Pon asked how much money was in the fund. Musmanno said approximately \$38,000.00.

Approved by Voice Vote

ARTICLE 9. To transact any other business that may legally come before said meeting.

John Hyland asked how much it had cost to replace the roof on the Elementary School. Musmanno replied approximately \$63,000.00

Bob Williams moved to adjourn at 2:33 PM

Motion Seconded by AI Krygeris.

Approved by Voice Vote.

The Polls were closed at 2:45 PM.
