Questions:

1. The Exhibit 1.2 Form on pages 47 - 52 of file 16-28-RFP River's Edge Reissued RFP 04 21 16.pdf (**RFP Document**) differs from the copy provided in file RFP – Exhibits 1.1 through 1.10 (Unofficial Courtesy Word Version).docx (**Unofficial Courtesy Word Version**). Exhibit 1.2 on pages 47 – 52 of the RFP Document has a line item for the onsite soils piles removal and the copy provided in the Unofficial Courtesy Word Version file does not. Which should we use?

Response: The Exhibit 1.2 Form on pages 47 – 52 of the **RFP Document** is the correct form to use.

In the case of any discrepancy between forms in the **RFP Document** and forms provided in the **Unofficial Courtesy Word Version**, the forms and instructions contained within the **RFP Document** should be used.
