PERMIT TO OPERATE SANITARY LANDFILL

1 LOCATION: Acting under the provisions of Chapter III, Section 150A of the General Laws as amended, the Wayland Board of Health on February 9, 1979 published the assigned portions of a certain parcel of land known generally as "The Sand Hill Area" and bounded and described as follows:

Parcel I: Southerly by the Boston Post Road a distance of 254.82 feet; easterly and southerly by land of the Town of Sudbury, a distance of 1996.21 feet; southwesterly by land of Sudbury Racquet Inc. a distance of 503.55 feet; southwesterly by land of Town of Sudbury a distance of 543.13 feet; westerly by River Road a distance of 162.42 feet; northeasterly, northwesterly and southwesterly by land of Joseph and Louise P. Vacaro a distance of 1773.58 feet; northwesterly by River Road a distance of 401.90 feet; northeasterly by land of John M. and Patricia A. Foley a distance of 442.19 feet; northeasterly by land of the United States of America a distance of 1047.52 feet; easterly by land of the Town of Wayland a distance of 1558.53 feet:

More particularly shown on a plan entitled "Plan of Land in Wayland, Mass. showing Proposed Refuse Disposal District, October 21, 1975, Scale: 1 in. = 200 ft., Wayland Engineering Department".

Parcel II: The proposed access road from Boston Post Road as shown on a plan entitled "Plan of Land in Wayland, Mass. showing Proposed Access Road, April 5, 1978, Scale as noted, Wayland Engineering Department", a copy of which is on file in the office of the Wayland Board of Health.

The site assignment was subject to conditions as follows:

1. No disposal of solid wastes by sanitary landfill shall be conducted on the site until the Plans and Operational Procedures have been approved by the Wayland Board of Health and the Massachusetts Department of Environmental Quality Engineering, and their permission in writing has been obtained. Board of Health approval shall be subject to such limitations as may be necessary to protect the public health, comfort, and convenience.
2. Access to the site shall be only from the Boston Post Road.
3. The Board of Health reserves the right to require fencing and/or guard rails along the access road, to be determined after its construction and anytime thereafter if, in the opinion of the Board of Health, it is deemed necessary.

- II RESTRICTIONS: All operations are to be carried out in accordance with
1) the Wayland "Rules and Regulations for Disposal of Solid Wastes by Sanitary Landfill" adopted by the Board of Health on July 6, 1971 and as from time to time amended, 2) "Regulations for the Disposal of Solid Wastes by Sanitary Landfill" adopted by the Commonwealth of Mass. on April 21, 1971.
- III PLAN OF OPERATION: Operations are to be carried out in accordance with plans submitted to and approved by the Board of Health on May 21, 1980, and June 16, 1980. Copies of these plans are on file with the Board of Health.
- IV NOTICE: A copy of this permit, the assignment, and the Board of Health's "Rules and Regulations for Disposal of Solid Wastes by Sanitary Landfill" are filed with the Town Clerk.
- V OPERATOR: The Operator of the Sanitary Landfill is the Wayland Road Commission.
- VI SUPERVISOR: The Supervisor of the operations at the Sanitary Landfill is the Superintendent or such other person who may be designated by the Road Commission as acting or interim Highway Superintendent.
- VII ADDITIONAL RULES AND REGULATIONS: The Operator is hereby granted the authority to adopt such additional rules and regulations as it may deem necessary for the smooth and orderly operation of the sanitary landfill provided that they do not conflict with and are more stringent than the "Rules and Regulations for Disposal of Solid Wastes by Sanitary Landfill" adopted by the Board of Health and from time to time amended.
- Any such additional rules and regulations must be approved by the Board of Health, and copies filed with the board and Town Clerk as well as being posted in a conspicuous place at the sanitary landfill site.
- VIII AUTHORIZATION: Whereas the operator has certified to the Board of Health that he has sufficient manpower and equipment to operate a sanitary landfill in accordance with the "Rules and Regulations for the Disposal of Solid Wastes by Sanitary Landfill" adopted by the Board of Health on July 6, 1971, with assignment of land by the Board of Health on February 9, 1979, and with the plans submitted to the Board of Health on May 21, 1980 and June 16, 1980, a permit to operate said sanitary landfill is hereby granted.
