Ms. Rebecca Stanizzi, Chair  
Economic Development Committee  
Wayland Town Building  
41 Cochituate Road  
Wayland, MA 01778

Dear Rebecca,

Thank you for sharing your plans for building a Chapter 40B Housing project on the site of the former Wayland/Sudbury Septage Treatment facility, now closed, with the Wayland Historical Commission.

As mentioned in a previous letter dated December 12, 2011, after walking the proposed development site with you on November 28, 2011, Tonya Largy, a member of our Commission, who addresses archaeological issues in Wayland, reported that the site location, as presently delineated, is already very disturbed. Kindly notify Ms. Largy if you have further questions. She can be reached by telephone at 508-358-4646 or by email at [tonya.largy@verizon.net](mailto:tonya.largy@verizon.net).

Again, thank you for involving the Commission so early in the planning process. If you have questions or wish to discuss any aspect of archaeology regarding this parcel or any future projects, we would be pleased to consult with your committee.

Sincerely,

Elisa Scola, Chair  
Wayland Historical Commission
