RE: Groundwater Discharge Permit – Town Building Field Site, Wayland, Massachusetts

Dear Kevin:

The Wayland Wastewater Management District Commission ("WWMDC") submits the enclosed application for an individual groundwater discharge permit for the Wayland Town Building leaching field site. By filing this application, the WWMDC hereby withdraws, without prejudice, its application for coverage under General Permit for a Small Publicly Owned Wastewater Treatment Facility, submitted on January 17, 2013, to discharge treated sanitary wastewater from an off-site wastewater treatment facility, to the ground at the Town Hall site at 41 Cochituate Road, Wayland, Massachusetts 01778.

The WWMDC hopes that DEP-NEOR will issue the requested permit as soon as possible.

Sincerely,

Fred Knight
Chair, WWMDC
