

BOARD OF HEALTH MINUTES  
September 29, 2009

The meeting was called to order at 7:35 p.m. Present were Arnold Soslow, M.D., Chair, Michael Wegerbauer, Mark Neuman, M.D., and Anna Ludwig. Also present were Steven Calichman, Director and Patti White, Department Assistant. There were no public comments.

7:40 p.m.           **52 High Rock Road- Animal Keeping Permit- Anita Bekenstein\_ owner**

There was a brief discussion regarding the history of the property and setup for the horses. Question on the property line with 51 High Rock Road where the fence is not 25 feet from the property line. The abutting property at 51 High Rock Rd has been sold and the new owners have not yet moved in. Ms. Bekenstein attempted to mail the letter to the new address, it was returned, so she attempted to mail it to their current address also in Wayland, they have not yet picked up the letter. The abutters at 37 Barney Hill Road have not accepted delivery of their letter.

Dr. Soslow- regarding new property owners, he is uncomfortable of granting the permit until we have heard from the property owners at 51 High Rock regarding their issue of the fence not 25 feet from the property line.

The Board would like the BOH staff to contact the two unresponsive neighbors to get their opinion.

The Board has decided to table the decision for 1 month to give the 2 neighbors time to respond. The variance for the fence is the only issue.

Alice and Emanuel Salos, 262 Cochituate Rd., abutting neighbors, love the horses and have enjoyed visiting with them. They have no objection to the permit being issued.

8:00 p.m.           Brief discussion with staff regarding subsurface disposal regulations.

8:30 p.m.           **Motion to approve minutes as presented for April 5, 2008, March 11, 2008, December 9, 2008 and June 23, 2009. Vote 4-0 all in favor.**
