

BOARD OF HEALTH MINUTES  
December 1, 2009

The meeting was called to order at 7:40 p.m. Present were Arnold Soslow, M.D., Michael Wegerbauer, and Michael Bean, M.D. Also present were Steve Calichman, Director and Patti White, Administrative Assistant.

**7:40 p.m.      There were no public comments**

**7:41 p.m.      H1N1 vaccine update- *Ruth Mori Public Health nurse***

Ruth updated the board on the most recent clinics that have been run. There was additional discussion regarding the number of residents, school students and elderly that have been immunized, and what number of residents should be remaining to be immunized.

There was additional discussion regarding the size and scope of the possible future clinics and the MRC volunteers available.

Staff is looking at a Saturday December 12, 2009. Sending out info to MRC volunteers to see if they are available to work that day.

Ruth will Email school nurses along with the Substitute nurses to see if we can do clinics at the High School and Middle School

**9:00 p.m.      Directors Report, see attached**

**9:30p.m.      Meeting adjourned**

Respectfully submitted
