

Board of Health Minutes
May 25, 2010

The meeting was called to order at 7:40. Present for the meeting were Arnold Soslow, M. D. Mark Neuman, M. D. and Michael Bean, M. D. Also present were Steven Calichman, Director and Patti White, Department Assistant.

7:45p.m. **Discussion/ update on Mosquito control and current status.**

Steve gave the board an update on the present status of the mosquito control. The altocid briquettes were picked up by EMMCP today to start the catch basin treatment program. Steve asked the Board to think about a “What If” the mosquito population along with (West Nile Virus and EEE) numbers starts to rise.

AS- can you contact your DPH contact person and get standards and guidelines regarding mosquito control interventions for mid season spraying? Will there be any benefit to contact towns that spray mid season and see what they are doing and why, when? Can we get Tag sheets from Dave Henley regarding info on spraying?

When we get mosquito collection pool tests, the info will be relayed to BOH we will be looking into criteria for mid season spraying,
