

Town of Wayland Cable Advisory Committee Meeting Minutes for July 12, 2012 Selectmen's Meeting Room, Town Building

Members Present:

Phil Radoff (Vice Chair)

Thomas Klem

Steve Correia

Richard Turner

Meeting convened at 7:30PM.

- No Public Comment
- Status of Verizon Buildout
 - A press release from the Town (dated 05 July) provided notice that Verizon has completed their buildout of the FiOS network throughout Wayland. A reporter from Wayland Patch is writing an article about this, and contacted Vice Chair Radoff for comment. The Committee discussed what, if anything, should be done concerning the fact that the buildout was completed six months behind schedule.
