

# Town of Wayland Cable Advisory Committee

## Meeting Minutes for November 8, 2012

### Town Building

---

**Members Present:**

Phil Radoff (Vice Chair)

Thomas Klem

Richard Turner

Guest: WayCAM President Ken  
Isaacson

Meeting convened at 7:30PM.

- Public Comment
- Draft summary of Committee activities reviewed for contribution to the Town Annual Report.
- Verizon FiOS Buildout
  - Discussion about writing a response letter to Verizon re FiOS town-wide buildout. Verizon claims to have completed the installation, and further does not agree with the assertion that consideration is due the Town because completion occurred after the June deadline. The Committee has since learned that there are parts of Town which do not yet have FiOS access.

Minutes recorded by Thomas Klem
