Public Records Request

Discussion about Public Records request by George Harris

Discussion around difficulty in identifying and retrieving e-mails responsive to the request.

Discussion around Public Records Law & the need for print outs of records to be made available in Town Hall.

Abdella made a motion that the Board will reply that we cannot respond with all of the documents as requested based on the broad scope of our discussion. We are trying to come up with a better process, and we would like to meet with Mr. Harris to discuss our plans and gather his input on our process.
