6:15 Consideration and Vote of potential Special Town Meeting warrant article, draft text below:

To determine whether the Town will reconsider the sources of funding the Fiscal Year 2014 operating budget by reducing the portion of the budget to be raised by taxation and increasing the portion to be appropriated from [one or more of the following general government funds: unreserved fund balance, stabilization fund, sale of town-owned real estate, real estate tax overlay], leaving the total budget appropriation unchanged. This article calls only for reconsidering the funding of the operating budget (so as to achieve a reduction in the property tax levy) and not the budget itself.
