Vote to remove Spencer Circle from the Annual 2017 Spring Town Meeting Warrant:

D. Hill presented the request that we amend the article to remove Spencer Circle from those streets up for acceptance by the Town. The Department of Public Works opined that Spencer Circle will require a good deal of work, including a drainage issue, and the preference would be for Town officials to determine the solution prior to accepting.

A larger discussion regarding the close out of subdivision roads was had as the Planning Board intends to provide some formal guidance on the process.

A motion to amend the article for the Town warrant to remove Spencer Circle was made by I. Montague. A. Reck seconded. Motion approved 4-0.

Motion to adjourn made by A. Reck. N. Riley seconded. Motion approved 4-0.
