8. John Dyer updated us on the latest from the 375 Committee. Each member picked a town to research. John picked Needham. Needham had 2 big sponsors, Roche Bros and Needham Bank and together their committee raised \$375,000 for the year-long celebration. He suggested getting WayCam involved for such things as publicity and interviews. He also talked about dividing the history of Wayland into 3 categories: colonial; agricultural and industrial, and urbanization (into the future).
9. Planning for 2011 Veterans Day program: George Bernard has organized 4 Veterans Day programs in the past. He is proposing a program similar to the one that he organized in 2009, at the Trinitarian Congregational Church, which was well received. He works at the Natick Labs and is a member of the Trinitarian Church. The program will include speakers, parachute packing demonstration, an exhibition of WWII Pacific oil paintings, and refreshments. He is requesting an expenditure of \$800 for the program. Both he and Richard are willing to donate \$150 each to the program. A motion was made that the PCC support this and will be a co-sponsor of this event. Committee will look into providing financial support. Motion passed unanimously.
10. Next meeting: Thursday, March 9 at 7 p.m.
11. Meeting adjourned at 8:30 p.m.

Respectfully submitted
