**PURPOSE : THE PURPOSE OF THIS MEETING IS TO EXAMINE THE CURRENT FEE SCHEDULE FOR THE RECREATION FACILITIES IN WAYLAND AND TO PROPOSE IMPROVEMENTS IN THIS FEE SCHEDULE .**

**A proposal was made regarding the overall fee schedule . The fees should be fair and equitable we should put more focus on resident versus non-resident fees .**

**More emphasis is needed to be placed on our policies regarding field reservations . If a reservation is made this reservation must only be used for whom the reservation is made . Also the reservations must be reasonable. This applies not only to fields , grass and turf, but to the town gym, tennis courts,etc.**

**It was suggested the the usage hours for the tennis courts be studied carefully to determine a better fee structure .**

**It was suggested to reduce fees for the young players enrolled in micro-soccer in WAYS and the instructional league in the WBSA from \$40 to \$30 per player.**

**We discussed a proposal to use the same format used in the Youth League field fees for the Adult League field fees . These fees are levied per player per team .**

**A consideration was made to limit the town building gymnasium rental only to town residents .**

**We proposed using different hourly fees for field lights for residents versus non-residents.**
