

Wayland Recreation Commission

Minutes

April 3, 2014

In attendance Foster, Krasin, Wright, McShea

Meeting called to order 7:00 PM at Wayland High School Town Meeting.

Public Comment: none

Brief discussion and update from Wright on the Dudley Woods Article, where the thinking currently stands on that. Any related issues relevant to Town Meeting that might become an issue. Any budget questions that might arise. Recreation has no real debatable articles on the floor this year so should be a quiet year for us. McShea will be present should the Commission have a need for information that they don't know the answer to.

Motion to adjourn Foster, second Wright. Meeting adjourn 7:30pm.
