12:35 PM MEETING CALLED TO ORDER:

Asa Foster called the meeting to order at 12:35 pm.

12:35 PM PUBLIC COMMENT:

Linda Siegel, Aqueduct Road – In regards to the Loker Conservation and Recreation Area, she heard that at the most recent School Committee meeting there was a discussion of a court case in the town of Westford or Westfield where there is an effort to reallocated recreation land as school property to then use it for a new school. Ms. Siegel is concerned about the precedent this case might set and that the School Committee might want to use this process to use the Loker area for school bus parking.
