

Town of Wellfleet  
335 Main Street Committee  
Minutes of Meeting October 13, 2005  
Council on Aging Building

Present: Anne White, Chair; Elaine LaChapelle, George Moe, Moe Barocas, Larry Peters, Clarence Smith, Carl Caruso and Mary Fox.  
Members of the public present: Jeff Stuart

The meeting was called to order at 5:30 pm

Discussion regarding the articles for the Special Town Meeting the 335 Main Street have been asked to vote on took place. George Moe noted that he had seen the revised map which reflected modest changes regarding the parking. It was noted that the committee had gone on record as not liking the wording 'disposed of' used in the article. It was noted that because the explanation for the article defined what was meant by 'disposed of' that it was not a problem.

Moe Barocas made the motion to accept the articles as written on the 9/29/05 draft. Larry Peters seconded the motion. The vote was unanimous to recommend the articles.

George Moe reported that he had contacted Mark Vincent of the DPW regarding the sign indicating the town park behind the former church at 335 Main Street. He noted that the sign was already up!

The minutes of the October 5, 2005 meeting were accepted.

Jeff Stuart, of the Zoning Board was asked if he had any questions or comments. He noted that the Zoning Board would be concerned with special permits, set backs and variances at their meeting tonight when they would consider the Bank's proposal.

Larry Peters volunteered to follow up on display case which seems to be leaking.

The downtown parking survey which was to be taken at the end of the season. was discussed. It was reported that Chief Rosenthal would not be conducting the survey. It was noted that Chief Rosenthal had suggested that restricted parking not take place until August. Carl noted that he could always find a spot to park downtown, so maybe there is no parking problem. It was suggested that we contact the Chamber of Commerce to see if they have parking complaints at the information booth. Mary noted that it would be a relatively easy matter to do a follow up survey, although if we do not know how the regulations were enforced, it may not be meaningful.

George Moe passed around two pictures of the Church which he had scanned from old postcards that might be used in the display case.

Our next meeting will be held in two weeks - Oct. 27, 2005 at 5:30 pm at the COA.  
The meeting was adjourned at 6:55 pm.

Respectfully submitted,

Mary Fox  
Clerk
