

Town of Wellfleet  
335 Main Street Committee  
Minutes of Meeting November 10, 2005  
Council on Aging Building

Present: Elaine LaChapelle, Larry Peters and Mary Fox.

Selectman Ira Wood was also present.

Mary Fox called the meeting to order at 5:30 pm.

Ira distributed a comprehensive list of Outreach Activities the selectmen have planned to help prepare for the Special Town Meeting.

Larry Peters agreed to be the "point person" for the 335 Main Street Committee at town meeting. This would involve giving a history of the committee and an explanation of why the committee thinks that the bank's continued presence downtown is important.

The article "Firehouse hinges on Town Meeting vote" by Marilyn Miller in the November 4th issue of the Cape Codder will be copied and distributed as part of the information effort. Elaine has an enlarged copy which will be posted in the information case in front of the former church.

Ira reported that Rex Peterson would make an opening statement concerning the articles at Town Meeting. Larry Peters will give the History of the committee including the public meetings, grants and the fact that the goal of having a private developer is to avoid any cost to the town. Elaine is prepared to answer any questions concerning the Post Office. Danny Silverman will be giving a slide presentation documenting the need for a new fire station.

Report from committee members:

Larry Peters: contacted the police departments in: Provincetown, Eastham, Orleans, Chatham, Harwich Barnstable, Yarmouth and Dennis. They had no record of any accidents at drive-throughs.

Anne White: Her computers search was not productive. Anne did find documentation that the park is an "interim" park. She will get this info to Alfred. Anne also wrote a note to Mark Vincent thanking him for the park sign.

Mary Fox: reported that she contacted Steve Cecil of the Cecil Group and he is going to e-mail some information he thought might be helpful.

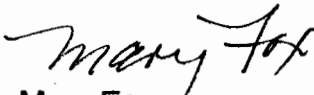

Elaine: did nit hear from the bank; will contact them about visuals.

The minutes of the meetings of October 13 and 27 and November 3 were accepted.

The next meeting will be held Thursday, November ~~10~~<sup>17</sup>, at 5:30 pm at the COA.

The meeting was adjourned at 6:35 pm.

Respectfully submitted,

Mary Fox  
Clerk
