The meeting was called to order at 5:30 pm.

The minutes of the May 25, 2006 meeting were approved.

Elaine reported that she had been in touch with Rex Peterson concerning the progress of the consultants. As of yet there is nothing to report. She will check with Rex regarding a schedule for the consultants.

Marla reported on her research regarding non profits. She spoke with Arlene Kirsch and Elaine McIlroy. There is considerable paperwork involved in applying for a 501 3C. Free workshops are available for help with the process. Other areas need to be researched such as: a business plan, possible uses, possible costs and setting a target amount to raise.

A subcommittee was set up to work on possible uses for the former church building: Ellen, Marla, Anne and Moe.

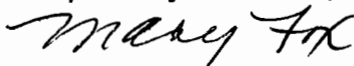

Mary and Marla will meet to go over some of the committee information in this area on file.

Elaine and Ellen have been working on the information cases and are planning to showcase Wellfleet Over Time: Memories - Wellfleet at work, play and in distress.

The meeting was adjourned at 6:45 pm.

The next meeting will be held on July 6, 2006. Mary will schedule the meeting space.

Respectfully submitted,

Mary Fox
