

Town of Wellfleet
335 Main Street Committee
Library Meeting Room
July 6, 2006
5:30 pm

Present: Elaine LaChapelle, Larry Peters, Carl Caruso, George Moe, Kevin Scalley, Marla Freedman, Anne Suggs, Ellen LeBow and Mary Fox.

The meeting was called to order at 5:40 pm.

Elaine reported that Rex had been in touch with the consultants. They are still collecting data

It was suggested that we get an update from the consultants and request a meeting. Marla made a motion to ask Rex to request that the consultants meet with us. George seconded the motion, which was unanimously approved.

Elaine reminded the committee that our charge is to look at the whole of 335 Main Street, not just one building.

Marla suggested the committee be represented at a non-resident taxpayers meeting on Sunday. It was suggested Moe be contacted as he is the representative of that group on the committee. Marla will contact Moe and attend the meeting.

George suggested that we do a press release after the meeting with the consultants.

It was suggested that we generate some questions for the consultants:

Will there be choices of options prior to writing the final document?

Are they setting aside the church building ?

If church building is reserved, can a non-profit be set up to raise money to rehab and run the building?

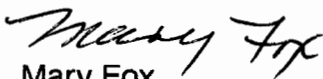

How would the proposal be affected if the church building is not a part of the proposal?

George reminded the committee that we are a team working together rather than as individuals.

The next meeting will be held August 3, 2006 at 5:30.

The meeting was adjourned at 6:40 pm.

Respectfully submitted,

Mary Fox
Clerk
