Meeting.

The meeting began at 4pm with a presentation by Paul Murphy, Town of Wellfleet Building Inspector. The presentation was the possibility of the town putting up a test tower on town own land. A question and answer period followed the presentation. Paul answered questions about the bylaws on the books already about wind towers. The permits that would be necessary to put up a test tower. He offered to help in anyway he could to help the committee in its endeavors.

The committee agreed that a site visit is necessary to the White crest Beach area. It was agreed upon that the next meeting we would meet at the White Crest beach parking lot.

The next meeting of the Alternative Energy Committee was tentatively scheduled for July 13,2005 at 4PM.

Respectively Submitted,

Michael May, Chairman, Acct Secretary
