Meeting.

The committee met and discussed the site visit to White Crest beach. It was agreed upon that more info was needed to bring to Selectman. We need more info about electrical costs of the town. Also that we need to list all the potential sites, then grade them in order of preference. We agreed to do this at meetings in August and bring our findings to a Selectmens meeting in September

The next meeting of the Alternative Energy Committee was tentatively scheduled for August 10,2005 at 4PM.

Respectively Submitted,

Michael May, Chairman, Acct Secretary
