Chairman's Report:

Volunteer Recognition Breakfast, which was held on April 12, was a great success. Jacqui was congratulated for a job well done.

On occasion there is a special need for additional cleaning maintenance which is provided by the DPW. June Taylor, DPW, is allotted 1.5 hours for maintenance and cannot adequately service both rooms. Jacqui will make a formal request to the DPW for more time so both rooms can receive attention.

Director's Report:

Joe Johnson has been designated "Elder of the Year". A coffee will be held in his honor on May 16 from 10:00-11:30. In Falmouth, on May 31, a breakfast will be held which recognizes the Cape's "Elders of the Year". Anyone wishing to attend should contact Jacqui. There is a fee for this event.

All members were encouraged to attend the Friend's Ham and Bean fundraiser at the Bookstore on May 2.

Judith Randall's position has been filled. The new hire will begin work on October 15. Meanwhile Gary Neal will fill in until that date.

Town Meeting, April 24, included an Article 11 which related to the development of the new Senior/Community Center. This article was for additional funding to support the preliminary engineering and design requirements. A motion was made to support Article 11 for this appropriation. Eight members supported the article; one abstained. (Note: Town Meeting rejected the request.)

Jacqui reported that the Eastham transportation vehicle has good usage, but not many are taking the P&B bus to Boston.

The Friends gave \$2000 for the purchase of new tables and other items for the Senior Center.

The next meeting will be May 22 at 10:00 A.M.

Meeting adjourned at 11:00 A.M.
