

CEMETERY COMMISSION MINUTES

October 4, 2004

The meeting was called by Chairperson Virginia Gray at 10:10am. Those present included Virginia Gray, Betsey Patterson and Dawn Rickman.

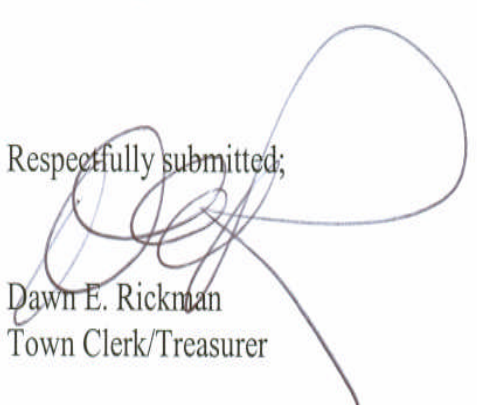

Virginia wanted to make sure that all the Commissioners knew how to proceed with selling the cemetery plots; therefore, Dawn had done a procedure sheet for all members.

Richard Arms, Jr. had written a letter request work to be done on his new plot and needed the Commissioners to approve the work application. The Commissioners approved and signed the application.

Pearl Johnson had written a letter requesting that the Commissioner look into having the dirt road that runs parallel to Gross Hill Road be smoothed out for vehicular travel. Dawn offered to call the DPW Director to have the work done.

There being no further business the meeting was adjourned at 10:20am.

Respectfully submitted;

Dawn E. Rickman
Town Clerk/Treasurer
