TOWN CLERK

Town of Wellfleet
Coastal and Pond Access Committee

Meeting of November 15, 2002
Minutes

Members present: Thomas Flynn, Chairman, Sylvia Smith, Thomas Peters (clerk); absent, Clarence Smith.

The Chairman called the meeting to order at 10:20 AM.

1. The members considered, and subsequently approved the draft minutes of the committee meeting for Oct. 22, 2002.
2. Correspondence. The Town Administrator (TA) by memo of Nov. 1, 2002 calls for annual reports. Members are to provide information to the clerk for preparation of the committee's report.
3. Clippings. The Chairman proffered two news clips for the edification of members and citizens. The first concerned a dispute over an old railroad bed reported in the Boston Sunday *Globe*, Section B at Page 1 of Nov. 1, 2002. The second concerned a Nov. 10, 2002 news report about an intrepid photographer who was filming the northern coast of California with digital film, the purpose of which was to document illicit predations on the coastline by owners or their agents.
4. New members. The Chair announced that he has continued the effort to identify new members. He will invite B.K. and C.C. to attend our meetings. All members are encouraged to do the same.
5. The members considered whether to schedule another working session (to work on our water access files); upon consideration, they decided not to do so.
6. The members voted unanimously to purge the reading file of sundry items that are no longer of interest, or which have been overtaken by events which render the same irrelevant.

NEXT MEETING: December 10, 2002 @ 7:30 PM at the Council on Aging.

The members thereupon voted to adjourn at about 11:50 AM.

The members voted 3-0-1 to accept the minutes printed above at its duly posted regular meeting of January 14, 2003.

Thomas H. Peters, Clerk
