TOWN CLERK

Minutes of the January 8, 1999 Meeting
of the Historical Review Board

Present: Jay Horowitz, chair; Richard Robicheau; Helen Purcell

The minutes of the December 10, 1998 meeting were accepted as read.

The Commission discussed the manner in which our files are stored. Helen Purcell volunteered to collect and organize the existing files.

An application was submitted through Vic Staley, Building Inspector, for restoration of the Newcomb-Mounce house at 79 Briar Lane, opposite Mill Hill Road. The application was from John O'Hara and Judith Mounce Stiles. Members had previously walked around the building and had noted its deteriorating condition. The Commission granted the application after examining the accompanying drawing.

We agreed to improve our application form by adding a space for the date of application.

Respectfully submitted,

Helen Purcell, secretary.
