Minutes of the Wellfleet Historical Review Board

Thursday, January 23rd, 1997

The Wellfleet Historical Review Board met in the Library on January 23, 1997.

The Board voted unanimously to approve the request of Michael Sylvester to demolish the two wings on his building on Briar Lane. At the request of his lawyer, Arthur Croce, the Board agreed to have our permit notarized before we send it to him.

The Board also voted unanimously to permit Michael Rose to make changes in his shown on his submitted drawings of his property on Bayview Road. His lawyer, Benjamin Zehnder, also asked us to have our permit notarized before we send it to him.

Mr. Horowitz assumed responsibility for sending the owners the notarized copies of the Board's decisions and for delivering copies to Victor Staley, the Building Inspector. Mr. Staley will provide the Review Board with a drawer in his office so the Board may file copies for its own use.
