Meeting Minutes

The Board of Selectmen met jointly with the Finance Committee to discuss the Nauset Regional School budget and High School construction project. The meeting was called to order at 7:35 PM with Board Chair Carolina Kiggins and members Robert Costa, David Ernst and Ira Wood present. Representing the School Committee were Regional School Committee members Meredith Scozzafava and Louise Morris.

Superintendent Michael Gradone presented background information on the Nauset regional school budget and on the assessments. It was noted that the budget without the override was up approximately 2½%. The focus of the discussion was on the negative financial impacts on Wellfleet of the Charter School and the Education Reform Act funding formula for regional school assessments.

On a motion duly made and seconded, the Board voted unanimously (4-0) to place a Proposition 2½ override question on the ballot for \$90,402 for a portion of the Nauset Regional School assessment.

There was a suggestion that the Finance and the Board of Selectmen meet with the Trustees of the Lighthouse Charter School.

It was agreed that information regarding the fiscal impact of Education Reform on Wellfleet be placed in the warrant and signed by representatives of the Board of Selectmen, Finance Committee and the Nauset Regional School Committee.

Greg Levasseur, Chair of the Regional School Building Committee then made a presentation on the proposed High School renovation and addition explaining both design and budgetary aspects of the project. The meeting adjourned at 9:45 PM.
