Wellfleet is Solarizing!

The town of Wellfleet has been selected to participate in the state's Solarize Massachusetts program, which encourages the adoption of solar energy by home and business owners through a group purchasing model along with significant incentives, including a generous subsidy and state and federal tax credits.

Both residents and non-residents can participate in Solarize Wellfleet. Come to our next event on Saturday, April 19 at 10 AM at the Senior Center followed by a Solar Open House Tour.

To find out more go to solarizewellfleet.org. See if your home or business has solar potential by clicking on the "Check Your House" tab on the website. "Like" the Solarize Wellfleet Facebook® page or send an email to info@SolarizeWellfleet.org for more information or to get updates on upcoming informational events. Call us at (508) 901-9786. The program ends June 30, 2014 so look into this as soon as you can!

What is Solarize Wellfleet?

- A town-wide initiative to encourage both full and part time residents of Wellfleet to save money and help the environment by installing Solar Photovoltaic arrays on their homes and businesses.

What are my options?

- You can either purchase a system with a payback period of 5 to 6 years or sign a no-money-down power purchase agreement and begin saving immediately.

How do I find out more?

- Visit our website, solarizewellfleet.org, to learn more about the program, ask questions, find out about upcoming meetings, and to view past meetings online. Just register on the site to begin the process. Use the Mapdwell software to see how suitable your home is.
