Licensing Period – The licensing period means the time between January 1st and the following December 31st of each year, both dates inclusive.

Vicious Dog - Any dog that attacks, bites or injures any human or domesticated animal without provocation or which, because of its temperament, conditioning or training, has a propensity to attack, bite or injure humans or domesticated animals.

15.4 Licensing and Regulation of Vicious Dogs

A. Determination of Viciousness

1. The Animal Control Officer shall investigate all complaints made to the Animal Control Officer, the Town of Wellfleet Police Department, the Board of Selectmen, or the Town Administrator that any dog owned or kept within the Town of Wellfleet has attacked, bitten, or injured any person or domesticated animal, or which by its temperament, conditioning or training has a propensity to attack, bite or injure persons or domesticated animals.

2. The Animal Control Officer is authorized to make whatever inquiry is deemed necessary to determine the accuracy of said complaint, and if the Animal Control Officer determines that the complaint is accurate, the Officer may find that the dog is vicious and may make such orders as he or she deems necessary to ensure compliance with the provisions of these by-laws and to promote public safety.
3. Upon determination by the Animal Control Officer that a dog is vicious, the Animal Control Officer shall issue a written order to the owner or keeper of said dog concerning the restraint or disposal of such dog as they may deem necessary. At a minimum, said order shall state that the dog has been determined to be vicious and shall require the owner or keeper of such dog to comply with the requirements of Section 15.4 Subsection B of these by-laws.
4. Without limiting the generality of the foregoing, the Animal Control Officer may order that said dog be permanently removed from the Town of Wellfleet, that said dog be humanely euthanized in accordance with the provisions of Massachusetts General Laws, Chapter 140, Section 151A, or that said dog be confined in accordance with such limitations as the Animal Control Officer deems appropriate. If an order to euthanize is issued, a certificate must be provided to the Animal Control Officer confirming the action was carried out. If the Animal Control Officer determines that the dog is to be permanently removed, the owner or keeper shall provide the Animal Control Officer with the name, address, and telephone number of the new owner or keeper of the vicious dog.
5. The owner or keeper of any dog determined to be vicious by the Animal Control Officer may request a hearing before the Board of Selectmen. Said request shall be in writing and received by the Board of Selectmen within five (5) business days of the owner's or keeper's receipt of the Animal Control Officer's order. A copy of the hearing request shall also be delivered to the Animal Control Officer. The hearing request shall include an explanation of the measures that the owner or keeper intends to take to protect public safety pending disposition of the matter by the Board of Selectmen. If the Board of Selectmen determines that the measures described are inadequate, it may order that said dog be impounded, at the owner's or keeper's expense, until such time as the Board of Selectmen rules otherwise.
6. After hearing, at which those testifying shall be sworn under oath, the Board of Selectmen may affirm the order, reverse or nullify the order, or issue any such order as it deems necessary to ensure compliance with the provisions of these by-laws and the protection of public safety. The determination of the Board of Selectmen after a hearing shall be final.

The sign shall be visible and capable of being read from the public or private roadway.
4. All vicious dogs shall be confined in an enclosure approved in writing by the Animal Control Officer. It shall be unlawful for any owner or keeper to maintain a vicious dog upon any premises which does not have a locked enclosure or for any owner or keeper to allow any vicious dog to be outside of the dwelling of the owner or outside of the enclosure, unless it is necessary for the owner or keeper to obtain veterinary care for the vicious dog, or to sell or give away the vicious dog or to comply with the orders or directions of the Animal Control Officer and/or Board of Selectmen with respect to the vicious dog, or to comply with the provisions of these by-laws. In such event, the vicious dog shall be securely muzzled and restrained with a chain having a minimum tensile strength of three hundred (300) pounds and not exceeding three (3) feet in length, and shall be under the direct control and supervision of the owner or keeper of the vicious dog. Vicious dogs shall not be permitted to run loose on any public or private way or any area within the Town of Wellfleet that is open to the general public, including but not limited to parks and beaches.

C. Enforcement and Penalties

1. License Revocation - If the Animal Control Officer determines that a vicious dog is being kept in the Town in violation of these by-laws or any order issued by the Animal Control Officer, Board of Selectmen or of any Court, the Animal Control Officer shall so notify the Selectmen. After giving notice to the owner or keeper of the hearing, the Selectmen shall hold a public hearing on whether to revoke the license of said dog or to take further action including banning the dog from the Town or euthanizing the dog. If the Selectmen revoke the license of said dog and do not order it to be euthanized, they shall notify the owner or keeper of the dog and the Town Clerk within ten (10) days that said dog will be impounded and euthanized if it is found within the Town after the succeeding seven days.
