### DIRECTOR'S ISSUES

- A letter dated May 26, 2010, was sent to Mr. Weir, 51 Mt. Pleasant Street, informing him of the Board's vote at last month's meeting to revoke his permit for his outdoor wood burning boiler. The letter also stated if he wished to discuss the matter with the Board, he had to contact the Director and request to be placed on the agenda. Director McNulty explained that the agenda has to be posted with the Town Clerk and his neighbors have to be notified. Mr. Weir was present in the audience at this meeting and was recognized by the Board. Because Mr. Weir was not on the agenda, Director McNulty recommended the Board postpone any action until next month's meeting.

After some discussion, Acting Chairman Ehrlich said Mr. Weir needs to present a proposal to the Board that shows how the OWB can be operated without being a nuisance. He suggested Mr. Weir meet with Director McNulty to discuss possible solutions that can be presented to the Board. Before Mr. Weir left, he was reminded to submit a written request to be placed on next month's agenda.

- Dump sticker sales have been brisk. The office has two senior volunteers who are helping with the sticker sales.

### NEW BUSINESS

#### Appointment of Chairman

A motion was made by Member Federici to nominate Member Ehrlich as the Board's next Chairman for the term July 1, 2010 to June 30, 2011. The motion was seconded by Member Ehrlich; the vote was unanimous.

There being no further business, the meeting adjourned at 6:20 pm

The next regular meeting will be held on July 20, 2010.

Respectfully submitted,
