Director's Issues

In 1980, FEMA issued a set of flood plan maps for Westborough. In order for Westborough residents to buy federal flood insurance, the Town had to adopt regulations that govern what can and cannot be done in a flood plan. The regulations were also issued in 1980 and the Board of Health enforces them. FEMA is currently in the process of drawing up new maps. The current regulations now have to be revised to reference the new maps and that has to be done by July 14, 2011. After Director McNulty reviews the maps and makes some changes, a public hearing will be held.

There being no further business, the meeting adjourned at 5:55 p.m.

The next regular meeting will be held on February 15, 2011.

Respectfully submitted,

Kathleen Smith
Administrative Assistant
