Minutes of Board of Health Meeting July 12, 2011

The regular Board of Health meeting was held on Tuesday, July 12, 2011, in room 24 in the Forbes Municipal Building. The meeting was called to order at 5:35 pm. by Chairman Federici. Those present were Members Ehrlich and Walsh, Director McNulty, Sanitarian Baccari and Inspector Gilchrist. Bills and payroll were signed.

Minutes of the meeting held on June 14, 2011, were reviewed and approved.

Director's report (June 2011) was discussed and approved.

Sanitarian's report (June 2011) was discussed and approved. A recent case of measles was discussed. Odor complaints from neighbors living on Beach St. were discussed. The odors appear to be coming from chickens being raised at #6.

Health Inspector's report (June 2011) was discussed and approved.

DIRECTOR'S ISSUES

The recently revised floodplain regulations have been approved by FEMA and MA DCR.

There is a rat problem at a residence on West Main Street. Photographs of the rats taken by Sanitarian Baccari were distributed. Neighbors are aware of the rats. The homeowner initially agreed to hire an exterminator; but did not. He didn't want to put out poison. The BOH is sending the homeowner an order to comply. He will have five days to get an exterminator or set out traps himself. If he doesn't comply, he will be taken to court.

There being no further business, the meeting adjourned at 6:35 p.m.

The next meeting will be held September 13, 2011.

Respectfully submitted,

Kathleen Smith
