Minutes of Board of Health Meeting July 17, 2012

The regular Board of Health meeting was held on Tuesday, July 17, 2012, in room 24 in the Forbes Municipal Building, 45 West Main Street. The meeting was called to order at 5:37 pm. by Chairman Walsh. Those present were Member Ehrlich, Director McNulty, and Inspector Gilchrist. Absent: Sanitarian Baccari and Member Federici. Bills and payroll were signed.

Minutes of the meeting held on June 19, 2012, were approved.

Director's report (June) was discussed and approved.

Sanitarian's report (June) was discussed and approved.

Health Inspector's report (June) was discussed and approved.

DIRECTOR'S ISSUES

Director McNulty asked the Board to consider a limit for the number of dump stickers that can be purchased by a resident. Over the last couple of months, there have been some residents who have purchased three or more stickers.

A motion was made by Member Ehrlich for the purchase of more than two stickers for the same address, the resident must provide proof of ownership (e.g., vehicle registration) for the vehicles. Chairman Walsh seconded the motion; the vote was unanimous.

The Board's packets will continue to be delivered both electronically and in hard copies.

Director McNulty gave an update on the sewer connection project at the trailer park. The engineer has delivered the plans to the contractor, but the contractor said he is booked two months ahead with other projects and it will be too late into the season to start this type of project. He probably won't be able to get to it until next year.

There being no further business, the meeting adjourned at 6:20p.m.

The next meeting will be held Tuesday, September 18, 2012.

Respectfully submitted,

Kathleen Smith
