

**West Boylston Historical Commission  
Meeting Minutes February 17, 2011**

Commissioners present: Beverly Goodale, Barbara Deschenes, Neil Norum and Dennis Parker

Commissioners absent: Nancy Barakian, Kim Hopewell and Gregory Zakarian

The meeting was called to order at 4:30 p.m.

**Approval of Minutes:** Upon motion of Dennis with second by Neil the minutes of the September 23, 2010 meeting were unanimously approved as corrected by changing "Pine Tree" to "Pine Hill" and changing date of October 14 meeting from "2001" to "2010".

There is \$532.38 in account 061 and \$1,668.94 in building account.

**Old Business:**

Mount Vernon Cemetery: The Beaman section is done and it won't be too much longer before we have the finished product. We have not been officially notified by the Community Preservation Committee yet. It is recommended that we continue to do small sections at a time.

As far as goals go, we should continue with the inventory project probably concentrate on one street at a time. Right now we should focus on putting the library on the National Register.

**Other Business:**

We received money from the dissolution of the Bicentennial Corporation. Those funds and that of souvenir sales will pay for our share, (\$1,500) for placing the Beaman Memorial Public Library on the National Register. The proceeds of those sales go to the Historical Society which they split with us as the Commission is not allowed to raise money.

The Commission received a letter from the state informing us of renovations that will be done to the I-190 bridge over the Quinapoxet River. Commissioners agreed that the bridge has no historical significance.

A request needs to be made to the CPC for funding to clean the stones in the Beaman section and that process will require three quotes.

Upon motion of Dennis, second by Neil the meeting adjourned at 5:10 p.m.

The next meeting will be at 4:00 on Thursday, March 17, 2011.

Respectfully submitted,

*Barbara M. Deschenes*
