

MUNICIPAL BUILDING ADVISORY COMMITTEE MEETING MINUTES
June 24, 2010

Members present: John Hadley, Chris Rucho, Steve Quist, Chris LaBreck

The meeting convened at 6:30 p.m.

The Committee discussed methods to propose a project to the citizens of the town. They will outreach to Town Administrator Leon Gaumond to get his thoughts on the matter. More research will need to be done with the DPW and COA Directors to see if a joint meeting for both departments could be accomplished.

Mr. LaBreck suggested that the schools do a video of the current conditions of the COA and DPW to use as a marketing tool to sell the project to the town.

Motion to adjourn at 7:30 p.m. by Mr. Hadley, seconded by Mr. Rucho. All in favor.
