

**CMRPC and
the Town of West Boylston Planning Board**

Will be undertaking a Site Walk of the West Boylston Town Center

On Saturday, October 3rd starting @5pm

**Initial Site Walk Location will be:
Beaman Memorial Public Library
8 Newton St
West Boylston, MA 01583**

In 2015, CMRPC has been developing a Central Massachusetts-Centric Model Village District Zoning Bylaw. With the model in hand, CMRPC is now working with a set of seven communities during Phase II of this Project in customizing a Village District Bylaw tailored for the characteristics of their respective Village areas. The Town of West Boylston is one of the seven communities participating in this initiative.

The site walk is the initial phase to begin preliminary discussions of possible changes to the Town's Zoning Bylaws to create a new Village Zoning District with the objective of encouraging a mix of residential and low traffic professional businesses.

*This project is funded by the Commonwealth of Massachusetts
"DLTA" – District Local Technical Assistance – program*
