Meeting with TWPC

Mr. Gaumond and Ms. Harris reported that our meeting with the TWPC went well and we will likely provide them another update in a year.

Sidewalk Project

Mr. Gaumond reported that the BoS has authorized a Pavement Management Program from Chapter 90 funds and CMRPC is also going to help us with a sidewalk program. He was supposed to get sidewalk criteria for review by the Committee however it was not received in time for the meeting. He will get the sample criteria and forward it to the Committee and they will provide comment. CMRPC will also set up a PDA devise for data collection and tabulate our data for us.

Our next meeting will be to visually inspect the sidewalks in Town.

With no formal votes taken, there was a motion to adjourn by Ms. Harris, seconded by Mr. DiPietro, all in favor and meeting adjourned at 8:46 p.m.
