The meeting convened at 6:14 p.m.

Discussion on sidewalk master plan. There was a discussion on the desire to get a Master Plan for Sidewalks in Town. There are generally two principles that the Committee is interested in: that we would like to construct NEW sidewalks to connect to existing infrastructure and fix OLD sidewalks that are in terrible shape.

Suggestions on NEW sidewalks:

- 1) Crescent to Townsend
- 2) Goodale to Newton
- 3) Goodale from Newton to Century Farm Rd.
- 4) Trail from Goodale to swimming pool/concession stand
- 5) Between the two driveways at Major Edwards
- 6) Woodland from Pheasant Hill to Rte. 12
- 7) Franklin from Worcester to Rte. 12
- 8) Prescott from Winthrop to Rte. 12
- 9) Maple from Temple to Orchard Knoll

Suggestions on EXISTING sidewalks:

- 1) High Street
- 2) North Main Street
- 3) Goodale from Crescent to Prospect
- 4) Prospect from Central to Goodale
- 5) Causeway

Mr. Gaumond will begin to develop the suggestions for the Master Plan for the next meeting with the assistance of Mr. Westerling.

Update on pavement management program. The Transportation Committee offered support for crack-sealing of the town roads to get some additional years of use from them.

Committee adjourned at 6:41 p.m.
