Electricity provider options and issues

Rates locked in for 18 mo. w/ company that provides 20% from renewables.

Plan: review in Spring & Fall to see when rates are better.

Town Office Building grant

No bid package yet.

Large scale projects: ECG Engineering / Celtic Energy status

Ralph and Carol will call references from above companies.

Concern: both presentations mentioned working w/ facility manager, which Willington does not have.

Who would collect relevant data to assess energy savings?

Who will maintain new installations?

If we hire a consultant does the cost of same have to go out to bid?

Ralph will research other companies that do work similar to ECG/ Celtic

Next meeting Thur. Jan 6, 7:30 pm, Town Hall.

Meeting adjourned 8:32 pm
