Hello Revere Street Neighbors:

At a recent Traffic Safety Advisory Committee Meeting, it was brought to our attention that the frequency of illegal U-turns at Revere Street/Deanne Avenue has risen. Based on our observations, it appears that the majority of this action is from residents of Revere Street seeking parking. This is a dangerous and illegal practice.

While we are sympathetic to limited parking in this area, it is imperative that you understand the repercussions that could occur and the Town's intentions to take all practical steps to prevent it.

This is a neighborhood problem that can and should be solved by the neighborhood. We need your assistance. Driving in a safe manner is the obligation of all who have a license, being respectful and courteous is an obligation of everyone. Please be aware that if this practice is not curbed immediately, the Town will be forced to take increased enforcement actions.

Thank you.

Sincerely,

David J. Hickey, Jr.
