Re: Emergency Order- Temporary One Way Traffic Designation-
Winthrop Charter- Section 2-6 (c-ii)

A number of streets that feed our collective streets remain impassable as two-way streets given substantial snow cover. The result of this has created traffic hazards and difficult navigation for vehicular travel and access to residences throughout the neighborhoods. With agreement from the public safety team, I am requesting the following temporary order:

Per order of the Town Council, the following streets shall be designated one-way for a temporary period of time until the public safety team determines that these streets can return to two-way travel:

- Grovers Ave- From Cliff Ave to Sewall
- Locust Street- From Veterans Road to Cross Street
- Almont Street- From Revere Street to Cross Street
- Paine Street- From Main Street to Wilshire Street
- Court Road- From Pleasant Street to Johnson Ave.
- Loring Road- From Court Road to Circuit Road
- Woodside Ave- From Pleasant Street to Dix Street
- Bay View Ave- From Shirley Street to Grand View
- Triton Ave- From Bay View Ave to Shirley Street

While this list does not include many streets that are still considerably challenging, these are the streets that the public safety team deems that the volume of travel requires this temporary order. Thank you in advance for your cooperation.
