She noted that Judy Breuniger solicited the donations for the plaque.

C. Intermunicipal Agreement for Milfoil Equipment & Services

Mr. Owen stated that this agreement follows up the grant to purchase the Milfoil DASH units that was accepted at the last meeting. He explained that once the Board signs this agreement it would be forwarded to Tuftonboro and Moultonborough for acceptance as well.

Ms. Silk suggested amending the date on page three, under 4.2 Budget from November 15 in order to meet the town's budget timeline.

The Board agreed to amend the date to October 30.

Member Sarah Silk moved the Wolfeboro Board of Selectmen to approve entering into An Intermunicipal Agreement For the Provision of Aquatic Nuisance Plant Control between the Towns of Tuftonboro, Moultonborough and Wolfeboro, and to authorize the Board's chairman to sign the agreement on behalf of the Board. Marge Webster seconded. Members voted and being none opposed, the motion passed.

Chairman Murray provided an update on the events that took place over the last week for removing Milfoil from Wolfeboro Bay and Back Bay as follows: She provided pictures of a suction harvester and explain how the plants are pulled from the root system and they removed two dump trucks full of milfoil. She explained that they worked on Back Bay on the last day and that this area is now under control and they will revisit the area in August to pull any regrowth. She explained there is a large patch of Milfiol in the area of the Windrifter in Wolfeboro Bay that they have been working on it. She stated the Milfoil Committee is looking for any volunteers to help with the disposing of the milfoil from the harvester to the trucks. She provided Ken Marshner's email address and phone number if anyone is interested.

D. Assignment of Ambulance Services Contract

Mr. Owen stated that Brian Lord of Lakeside Ambulance is seeking to sell his business to Stewart's Ambulance and he has the current contract with the Town for Ambulance services, and the contract requires the Board's approval before he can transfer this contract.

Brian Lord joined the Board for discussion and explained that he was approached some time ago by Stewart's Ambulance to sell his business. He has thought about it and feels he has run his course in the business and has come to an agreement to sell to Stewart's.

Mr. Senecal questioned the length of the current contract.

Mr. Owen replied we have a four and one-half year contract with Lakeside Ambulance and are one year into it.

Mr. Senecal questioned the number of ambulances Lakeside has.

Mr. Lord replied he has four, but is only required to have two.

Mr. Senecal questioned if Stewart's will have to conform to all the same certifications.

Mr. Lord replied yes and their employees are certified at a Paramedic's level.

Ms. Silk questioned if there is any change in price.

Mr. Lord replied no they have agreed to the contract at the current price.

Ms. Silk questioned the equipment requirements.

Mr. Lord replied he had replaced one ambulance in September.

Justin Van Etten, Stewart's Ambulance, replied they have just purchased a new ambulance that will be used for Wolfeboro which means they will have two new ambulances as required by the contract.

Mr. Senecal questioned the current location of Lakeside Ambulance.

Mr. Lord replied Stewart's has agreed to long term lease of his building that extends beyond the contract.

Ms. Webster asked Mr. Van Etten to explain the back ground of Stewart's Ambulance noting they have had issues in the past.

Mr. Van Etten replied he purchased the company two years ago when it was faltering and although he has a financial background the two other owners have Medical backgrounds. He explained they serve Meredith, Moultonborouh, Center Harbor and Sandwich and are a financially sound company.

Chairman Murray stated the Town Attorney had advised them to have a release that the town would be protected and Mr. Lord would step back in if anything should happen.

Mr. Lord agreed to such.

E. Monthly budget Expenditures and Revenues Report

Pete Chamberlin joined the Board for discussion and stated that the budget is in good shape except for the Welfare Budget and that a strategy is being proposed to offset that budget.

Mr. Owen provided the Board with a copy of a memo that will be forwarded to the Department Heads placing a temporary freeze on non-critical expenditures. He explained that this would give them time to identify surpluses to offset the deficit in the Welfare budget.

Chairman Murray pointed out that they increased the Welfare budget by 50% last year and it still will not be enough funds to cover it and at this rate it looks that they will be \$75,000 over budget.

Mr. Owen stated that it seems to be tapering off for the summer months, which it has done in years past.

F. Reimbursement of Survey Cost

Mr. Owen stated the Cable TV Advisory Committee conducted a survey in November and received a large amount of responses, which was more than anticipated, and incurred \$350 in costs for which they would like to be reimbursed.

Ms. Silk questioned if any bonding could be used for such.

Mr. Storm replied it would be if they do not comply by the end of the month. He also noted he attended the Police Commission meeting last week and they are seeking to apply for a grant to hire a Detective to be paid for by the grant for three years.
