

**Wolfeboro Conservation Commission
Dredge & Fill Meeting
January 2, 2009**

Members Present: Dan Coons, Chairman, Randy Tetreault, Member, Mike Hodder, Alternate.

**Arthur Caviello Jr.
Forest Road / Grandview Commons
TM #214-1
Standard Dredge & Fill**

The applicant has requested to construct a perched beach with steps to the water and two 6'X30' permanent docks.

The Wolfeboro Conservation Commission cited no objection to the Arthur Caviello Jr., Standard Dredge & Fill application, TM #214-1.

**Spencer Johnson
7 Puffs Point
Lake Winnepesaukee
TM #259-18
Standard Dredge & Fill**

The applicant has requested to remove 4X6 tie off posts from the middle slip of a U-shaped docking system and remove 8 inches of decking from left hand dock making opening between the slips a total of 11'6".

The Wolfeboro Conservation Commission cited no objection to the Spencer Johnson Standard Dredge & Fill application, TM #259-18.

**Richard & Susan Vail
5 North Hodge Shore Road
TM #164-4
Special Use Permit**

The applicant has requested the installation of a septic system within the wetlands buffer zone.

The Wolfeboro Conservation Commission cited no objection to the David & Susan Vail Special Use Permit application, TM #164-4 however, notes the plan suggests a proposed addition of which the Commission has no knowledge of.
