

**WOLFEBORO CONSERVATION COMMISSION
DREDGE & FILL MEETING
October 10, 2009**

Members Present: Dan Coons, Chairman, Mike Hodder, Vice-Chairman, Randy Tetreault, Member.

**Jay & Janet Burns
59 Wishing Well Lane
TM #181-10
Special Use Permit**

The applicant proposes to install a new septic system and place a foundation beneath existing structure while simultaneously reconstructing the barn.

The Wolfeboro Conservation Commission has no objection to the Jay & Janet Burns Special Use Permit application, TM #181-10.

**Robert & Susan Trotta
12 Alpine Meadows
TM #273-6
Special Use Permit**

The applicant proposes ground disturbance for a foundation drain within the wetland buffer zone.

The Wolfeboro Conservation Commission has no objection to the Robert & Susan Trotta Special Use Permit application, TM #273-6. The Commission noted there is no Certified Wetlands Scientist stamp on the plan and the application did not include a letter regarding the project (as stated in the application).

**Linda Cucchiara
Lot 3, Alpine Meadows
TM #273-3
Special Use Permit**

The applicant proposes disturbance within the 50' wetland buffer zone related to lot construction.

The Wolfeboro Conservation Commission has no objection to the Linda Cucchiara Special Use Permit application, TM #273-3 and recommended a natural vegetative buffer be retained.
