

**WOLFEBORO CONSERVATION COMMISSION
DREDGE & FILL MEETING
September 13, 2010**

Members Present: Dan Coons, Chairman, Mike Hodder, Vice-Chairman, Ed Roundy, Randy Tetreault, Dave Wheeler, Gail Antonucci, Members, Sarah Silk, Alternate.

**Shintaro Asano
316 Sewall Road
Lake Winnepesaukee
TM #241-16
Minimum Impact Expedited**

The applicant proposes to allow for a work area of 480 SF to repair an existing stone wall along the shoreline and to replace existing cement steps with a granite set of steps.

The Wolfeboro Conservation Commission objected to the Shintaro Asano Minimum Impact Expedited application, TM #241-16, sending the application to NH DES unsigned.

**Thomas & Christine Clark
Alpine Meadows
TM #273-5
Special Use Permit**

The applicant proposes construction of a single family dwelling within the wetlands buffer.

The Wolfeboro Conservation Commission noted no objection to the Thomas & Christine Clark Special Use Permit application, TM #273-5.

**Patricia Roberts Merena Revocable Trust of 1994
4 Campfire Lane
Lake Winnepesaukee
TM #214-13
Minimum Impact Expedited**

The applicant proposes to remove an existing, poorly designed set of steps cut in the banking and replace with new steps.

The Wolfeboro Conservation Commission noted no objection to the Patricia Roberts Merena Revocable Trust of 1994 Minimum Impact Expedited application, TM #214-13.

**Port Wedeln Association
Winterhaven Road / Lloyd Road
Lake Winnepesaukee
TM #200-18 & 6
Permit By Notification**

The applicant proposes to remove rail tie retaining wall timbers, install new masonry walls and restore lawn area.

The Wolfeboro Conservation Commission noted no objection to the Port Wedeln Association Permit By Notification application, TM #200-18 & 6.
