

**WOLFEBORO CONSERVATION COMMISSION  
DREDGE & FILL MEETING**

**April 11, 2011**

**Members Present:** Dan Coons, Chairman, Mike Hodder, Vice-Chairman, Ed Roundy, Dave Wheeler, Lenore Clark, Gail Antonucci, Members.

**Dick Allison  
Keniston Island  
Lake Winnepesaukee  
TM #264-30  
Permit By Notification**

The applicant proposes the repair of an existing grandfathered boathouse and associated docking structures; noting the repairs are required to protect the integrity of the existing structures.

**Referencing the Dick Allison Permit By Notification, TM #264-30, the Wolfeboro Conservation Commission was unable to adequately opine on the application due to the submittal of insufficient information; no current or viewable photographs.**

**James & Christine Zampbell  
18 North Keewaydin Road  
TM #157-5  
Special Use Permit**

The applicant proposes to the reconstruction of an existing home, associated grading and a pump line installation for a new modern septic system.

**The Wolfeboro Conservation Commission noted no objection to the James & Christine Zampbell Special Use Permit application, TM #157-5.**

**KW Acres Investment, LLC  
Coves End Road  
Crescent Lake  
TM #232-30  
Standard Dredge & Fill**

The applicant proposes to construct a 450 SF seasonal dock.

**The Wolfeboro Conservation Commission noted no objection to the KW Acres Investment, LLC Standard Dredge & Fill application, TM #232-30.**

Goodhue Hawkins Navy Yard  
244 Sewall Road  
Lake Winnepesaukee  
TM #241-36  
Standard Dredge & Fill

The applicant proposes to replace the existing perpendicular "finger" pier portions of one of the existing permanent docks, eliminate boat slips 74 & 75 and install 4 seasonal fabric canopies for boat slips 65-72.

**The Wolfeboro Conservation Commission noted no objection to the Goodhue Hawkins Navy Yard Standard Dredge & Fill application, TM #241-36, however, requests DES to review whether the canopies meet the current rules and whether they adversely affect the views.**
