**The Wolfeboro Conservation Commission noted no objection to the 7 Lewando Nominee Trust Permit By Notification application, Tax Map #242-13.**

**NH DOT  
Route 109 over Willey Brook  
Standard Dredge & Fill**

The applicant proposes to repair the existing toe wall with 6" of concrete that will be placed on the undermined abutment.

**The Wolfeboro Conservation Commission noted no objection to the NH DOT Standard Dredge & Fill application.**

David & Diana Kirkpatrick  
South Main Street  
Rust Pond  
Standard Dredge & Fill  
TM #252-35-1

The applicant proposes to install two seasonal docks, including anchoring pads and winch blocks for lifting the docks out of the water during the off season.

**The Wolfeboro Conservation Commission noted no objection to the David & Diana Kirkpatrick Standard Dredge & Fill application, TM # 252-35-1. The Commission notes the docks seem excessive given the size of Rust Pond. In addition, views of the abutter will be affected when the docks are lifted during the off season.**
